Australian Sailing's online instructing course

Online Instructor Course Now Live!

Australian Sailing is pleased to announce the launch of a new online course for instructors.

The Instructor General Principles online course has been developed to assist prospective instructors improve their basic instructing skills and knowledge, in particular, those instructors wanting to deliver Learn to Sail and Powerboat courses, as part of the Discover Sailing program.

Instructors can complete the course in their own time, from the comfort of their own home. It is initially being made available free of charge to Instructors by Australian Sailing, with the support of the Australian Institute of Sport. Prospective instructors will complete the course prior to attending a face-to-face instructor training course.

About the course

The course contains five modules, covering a range of general instructing topics, including the role and responsibilities expected of an instructor, planning, safety, working with stakeholders, communication, group management and inclusive instructing practices when working with people with a disability or special population groups.

The course takes approximately 2 hours to complete with assessment included at the end of each module.
