

Australian Sailing Online Tackers Induction

Online Tackers Induction Now Live!

Australian Sailing is pleased to announce the launch of a new online course for instructors.

The Tackers Induction has been developed to outline the difference between Tackers and other learn to sail programs and to provide instructors with the tools and knowledge they'll need to be a Tackers Instructor.

Instructors can complete the course in their own time, from the comfort of their own home. It is initially being made available free of charge to Instructors by Australian Sailing, with the support of the Australian Institute of Sport. In order to gain the Tackers Endorsement, completion of the Tackers Induction needs to take place, however only those current accredited instructors can gain the actual endorsement.

About the course

The course contains three modules, covering the Tackers Difference, the Tackers Instructor and the Tackers Pathway.

The course takes approximately 90 minutes to complete with assessment included at the end of each module.
