Hi Joe Bloggs.

EXAMPLE 3 – Group message to Level Coaches/Support Crew (multiple grids)

Hi Level 2 Coaches and Support Crew

Please see below your assigned activities for this week (Session 4).

With 50 Level 2 kids, we'll need to have 2 grids going at a time. As always, for Level 2 grids, we aim to have 10 kids per activity. Grid 1 will have 30 kids (ie 3 activities at a time), and grid 2 will have 20 kids (ie 2 activities at a time), so you'll have a little bit of down time as the kids rotate through.

Week 4 Activities	Grid 1 Coach	Grid 2 Coach
Activity 1: Frozen Feet - https://play.afl/auskick/activities/frozen-feet?week=4&level=2	Patrick D	Nat F
Activity 2: Footy Racetrack - https://play.afl/auskick/activities/footy-racetrack?week=4&level=2	Dustin M	Darcy V
Activity 3: 5 Point Player - https://play.afl/auskick/activities/five-point-player?week=4&level=2	Daisy P	Erin P
Activity 4: Round the Bend - https://play.afl/auskick/activities/round-bend?week=4&level=2	Emma K	Lance F

Have a look at your assigned activities, if you have any questions let me know, otherwise, if you can get down 10-15 minutes early to set up your grid that would be appreciated.

Look forward to seeing you Saturday

Cheers
