

international buyers

Local knowledge combined with our professional membership of the Real Estate Institute of Victoria (REIV), International Real Estate Federation (FIABCI), and the American National Association of Realtors, ensures we are always up to date with the latest trends in property both locally and internationally.

Our properties feature prominently on international websites across China, Hong Kong and South East Asia, ensuring Gardiner McInnes has a strong global reach.

au.myfun.com, au.fang.com and ausproperty.cn and selected iProperty Group sites offer a targeted overseas marketing platform. Whether you are looking to sell, purchase your first Australian home or return after years' living and working abroad, we can help.
