

Special reduced
fee offer

Maximise your cash flow with BMT

Your Property Manager works closely with **BMT Tax Depreciation** to ensure you claim every available dollar in depreciation deductions.

Call today for a FREE assessment to improve the cash flow from your investment property.

Most investment properties
both new and old, have depreciation available

We found clients an average of \$8,212
in deductions in the first financial year in 2017/2018

Claim back missed dollars
You can adjust two previous tax returns

We guarantee to find double our fee
in deductions in the first full year claim or there will be no charge for our services

We work with your Accountant
to maximise your deductions

Your one-off schedule fee is
100% tax deductible

Register for MyBMT to manage your depreciation and investment property with ease

Below is an estimate of the deductions you could expect.

Requested schedule types

Property description	Construction dates	Average first full year deduction
Old	Pre-1987	\$4,621
Pre-2003	1987-2003	\$5,849
Up to 15 years old	2003-end 2015	\$8,133
Fairly new	2015-2017	\$10,190
Brand-new	Built after 1st July 2017	\$12,268

The depreciation deductions in this table have been calculated using the diminishing value method.

Order your schedule today

Receive a **reduced fee of \$730 incl. GST** (normally \$770) for a residential depreciation schedule in addition to a **FREE 6 month magazine subscription** of your choice when you order before June 30, 2019.
