Contact tracing information

14th May 2020

The information below is being collected to comply with COVID-19 guidelines set down by the Ministry of Health and to help us keep our staff and anyone who enters the premises safe and accurately respond to contact tracing information requests by the Ministry of Health. The information will be held securely by us for 2 months (or such longer period as may be required by the Ministry of Health), during which time it may be supplied to the Ministry of Health and/or WorkSafe New Zealand and/or District Health Board on request. If you do not wish to provide this information, we may be unable to allow you onto the premises. You may access your information, and request a correction, by emailing the agent.
