

## VENUE CONTACTLESS SIGN IN PLATFORMS

<b>Supplier</b>	BarBoss
<b>Product</b>	Sign In
<b>Website</b>	<a href="http://www.signin.com.au">www.signin.com.au</a>
<b>Pricing</b>	50% Discount for AHA NSW members - <b>only \$2.50 per week per venue</b> (normally \$5.00).
<b>Venue Next Steps</b>	Register online via <a href="http://www.signin.com.au">www.signin.com.au</a> <b>Use Discount Code aha65125</b> OR Contact Chris Hatcher <b>E:</b> <a href="mailto:chris@barboss.com.au">chris@barboss.com.au</a> <b>P:</b> 0417 220 326
<b>Overview</b>	<p>Your guests just scan a QR code unique to you, fill in a very quick web form, and they are signed in, without you or your staff having to lift a finger. All that is required are guests' name and phone number (so privacy is assured). There is no GPS tracking and information is deleted after 28 days. Guests will feel safer and more confident when venues are COVID safe, while the powerful search capability allows for fast contact tracing.</p> <p>Sign In also includes a Patron Counter and Room Count to manage patron numbers. 'Sign In' is 100% Australian owned and developed - and all information is stored on secure Australian servers.</p>

<b>Supplier</b>	Bepoz
<b>Product</b>	Visitor Registration
<b>Website</b>	<a href="https://bepoz.com.au/visitor-registration/">https://bepoz.com.au/visitor-registration/</a>
<b>Pricing</b>	\$99 one off set up fee
<b>Venue Next Steps</b>	<a href="mailto:sales@bepoz.com.au">sales@bepoz.com.au</a> OR call 1300 023 769
<b>Overview</b>	<p>A reliable platform that provides an efficient, Covid Safe way for venues to register guests and meet Government requirements to reopen.</p> <p><b>Contactless</b> Visitors entering a venue can use their own device to scan a QR code that directs them to a venue managed browser.</p> <p><b>Easy to Use</b> Visitors enter their contact details and submit. Returning visitors will be identified by just scanning the QR code without having to reenter their contact details.</p> <p><b>Secure Data &amp; Reporting</b> Provides a secure database of registered patrons. No data is shared with third parties. Venues can run reports based on time and date periods and export as a CSV via a cloud log in</p> <p><b>Note:</b> Visitor Registration is POS independent (completely separate to Bepoz POS system and there is no need to be linked to the venues current POS system). <a href="#">Click here</a> for further information</p>

## VENUE CONTACTLESS SIGN IN PLATFORMS

<b>Supplier</b>	Pivotal Business System in conjunction with MyGuestList
<b>Product</b>	Covid-check-in
<b>Website</b>	<a href="https://myguestlist.com/mgl/contact_forms/covid-checkin/#learnmore">https://myguestlist.com/mgl/contact_forms/covid-checkin/#learnmore</a>
<b>Pricing</b>	Free
<b>Venue Next Steps</b>	Register online via <a href="https://myguestlist.com/covid-checkin">myguestlist.com/covid-checkin</a>
<b>Overview</b>	<p>An easy way to check-in guests for contact tracing during COVID-19. <b>Fast. Safe. Free.</b> Use MyGuestlist to capture, securely store and manage contactless check-ins at your venue for contact tracing</p> <p><b>Customer registrations</b> Your customers can check-in at your venue in one of 3 ways: Scan a QR code, Navigate to a URL or send an SMS to a dedicated number with their details.</p> <p><b>Storage</b> We'll capture and securely store the data with the date and time of check-in. Data collected, stored and deleted as per Government Guidelines</p> <p><b>Access</b> If required to access the data for contact tracing, you can export the data at any time with a search/filter for any given date</p> <p><b>No gadgets, no fuss</b> You do not need to invest in any additional hardware or devices. There is nothing further to be done other than print out a PDF and decide which option to make available and visible to customers. That's all.</p> <p><b>Multiple Locations? No worries.</b> If your business trades within multiple locations, you'll be able to setup each individual location during registration. Data will be stored separately for each location.</p> <p><b>It's Free</b> MyGuestlist customers can access and use the check-in features at no cost. Not a user of MyGuestlist? <a href="#">Click here</a> to setup a free COVID Check-In account.</p> <p><b>Compliant</b> All data collected by the Check In app is stored and deleted as per Government Guidelines. Data is only available to the Check In app account holder</p> <p>If required to provide your visit records for contact tracing you can download this data from your Check In app account.</p> <p>If marketing consent (via the patron opting in at the time of completing their check in contact details) is provided you can access this data from your Check In app account (or via your MyGuestlist database).</p>
