

SMART HAND SANITISER DISPENSERS

Partnering with Zoono Commercial, Helping Hands have built a smart sanitiser dispenser to ensure employee and customer safety.

ZOONO SANITISERS

No one wants those nasty poisons and chemicals found in common anti-bacterial sanitiser brands. This is why all Zoono products are alcohol and poison free, dermatologically tested and TGA compliant, making them safe around food and ultra gentle on skin.

With such an environmentally and human friendly product, it's no wonder Zoono has become the most trusted brand when protecting loved ones from harmful germs.

LONG LASTING

Zoono lasts for up to 24 hours on skin and up to 30 days on surfaces

KILLS GERMS

Zoono sanitisers effectively kill 99.99% of germs

WATER BASED

Zoono sanitisers are water-based solutions with no poisons or alcohol

NO MESS

Zoono's foam consistency and our premium smart dispenser means no mess

INDOOR/OUTDOOR

Our smart dispenser is perfectly protected for both indoor and outdoor use

WIFI 4G ENABLED

Full data reporting, refill and fault notifications, Nationwide

COMPANY BRANDED

Our smart dispenser can be branded to your company's identity
