

Employability Skills for Jobseekers

This is an AQF accredited Language, Literacy and Numeracy course which provides a pathway for students who require employability skills to become work-ready and therefore suitable for job placement.

Who is it For?

To be eligible for this course, job seekers need to be:

- Aged 18–59
- Registered with a jobactive provider
- Receiving income support payments and have a mutual obligation requirement

How it is Delivered

Students receive face-to-face training over 26 weeks in a friendly and supportive environment. There are fortnightly rolling starts into this course.

Because this course is a language, literacy and numeracy course, it supports jobseekers to achieve their Annual Activity Requirements (AAR) when they are in the Work for the Dole phase. This also provides an educational outcome to Disability Employment Service providers as it is a Certificate II qualification.

The course includes training in four key areas:

- Literacy and numeracy
- Vocational skills
- Employability: communication, teamwork, problem-solving, technology, initiative and enterprise, planning and organising
- Pre-employment: resume writing, interviews, career planning, cold calling, volunteering, canvassing letters and networking

At the end of the course, participants will have:
