

## NILS: No Interest Loans Scheme

The No Interest Loans Scheme provides loans to people on low incomes that allows them the opportunity to purchase essential household items, or pay for a service, without the burden of interest, fees or charges.

### Could NILS help you?

- NILS applications are considered for loans up to \$1500.
- NILS is a fair and affordable credit option that enables you to buy now and make small repayments over time.
- Applicants must demonstrate the capability and willingness to repay the loan within the minimum period of 12 months, determined by a review of your current financial situation.

### How do i get a loan?
