Employment Program

jobactive is all about giving you the skills and support you need to find – and keep – a great job. Whether you've got your sights set on a particular career or you're still finding your way, MTC Australia can help you make a smooth transition into the workforce. We've already helped thousands of people just like you find meaningful employment.

IS JOBACTIVE FOR YOU?

To be eligible for jobactive, you must be receiving income support payments such as Newstart, Youth Allowance or Parenting Payments and have mutual obligation requirements. If you meet these requirements, you can be referred to jobactive through Centrelink. If you don't meet these requirements, you may be able to join as a volunteer job seeker.
