ABOUT US

WELCOME TO MTC AUSTRALIA

Thank you for choosing MTC Australia as your Registered Training Provider. MTC Australia is the Registered Training Organisation (RTO) of MTC Australia, which has been operating in the Sydney community since 1992.

WHAT WE DO

MTC is the social enterprise that gives people the inspiration, capability and opportunity to create a fulfilling life. We deliver high impact employment, training and youth programs that help more than 17,000 people every year to gain skills for employment and entrepreneurship, build self-worth, and enable possibilities for transformative change. As a social enterprise, we continue to support and empower at-risk Australians, by reinvesting surplus back into innovative social impact initiatives like Warakirri College, an independent high school for students who need an alternative to mainstream education.

MTC Australia's trainers, assessors and support staff will help you to maximise your learning experience, develop your competency and achieve your learning goals.

Please read this handbook carefully as you will find a lot of useful information here. This handbook is a quick reference guide to MTC Australia training programs and processes and is designed to provide you with relevant information for successful completion of your training and to know your right and responsibilities as a MTC Australia student. You can always ask your trainer or an MTC staff member if you need more information about the program, your training or assessment.

Good luck with your study, we hope you enjoy your time with us.

For online or at home training, your schedule will vary however your weekly hours and workload will remain the same. Please speak to your trainer to confirm your schedule.

YOUR CLASS

If you are attending face-to-face training, you will study in a class of no more than 20 students, you will study both in groups and by yourself. It is important that you participate in all

classroom activities to help you improve your language skills. Lessons focus on skills in Learning, Reading, Writing, Speaking, Listening and Numeracy. It's also includes activities and tasks that students do on their own as well as in pairs and groups.

It is important to cooperate with your Trainer and other students. If you have any problems, please talk to your Trainer.

Important:

Nobody can improve without trying, so it is important that you try to **participate as much as possible in all classroom activities.**

PRE-TRAINING ASSESSMENT (PTA)

The Pre-Training Assessment (PTA) is a one-hour interview you have at an MTC Australia site or through a remote delivery mode before you start your studies. During the PTA interview, the assessor tests your level of skill in **Learning, Reading, Writing, Speaking and Numeracy.**

You are able to start training if:

- you have literacy and numeracy needs;
- you can **attend classes regularly;**
- you can **participate in classroom activities;**
- you don't have problems that could prevent you from coming to class or improving your skills (e.g. if you have no home, if you have a drug problem or if you don't come to class regularly).

UNIQUE STUDENT IDENTIFIER (USI)

From 1 January 2015 onwards, all students who undertake vocational education and training must hold a unique student identifier (USI). A Unique Student Identifier (USI) number is a unique reference number made of 10 numbers that is allocated to anyone studying nationally recognised Vocational Educational Training (VET) in Australia. This can be obtained by registering online at www.usi.gov.au.

STUDENT TRANSPORT ENTITLEMENT CONCESSION CARD

MTC Australia is registered with the Transport for NSW (TfNSW) to ensure its students are provided opportunities of seeking subsidised travel concessions on public transport services subject to meeting the eligibility criteria.

MTC Australia informs every student about the availability of Student Transport Entitlement Concession cards as part of their PTA process. At this stage, each student must be provided information about:

1. transport concessions benefit available to eligible recipients
2. the eligibility criteria for getting the concession benefits
3. the process of applying for the concession subject to meeting the eligibility criteria

The process of assessing a student's eligibility criteria has been detailed in the [Transport NSW Guidelines for Issuing NSW Tertiary Student Concessions](#).

Please contact MTC Australia for more details.

CLASS LEVEL

In the PTA, the assessor will decide which level you will be studying.

The SEE Program has 3 levels of training:

- Initial Language Stream (Level 1 – PLA/PLB)
- Basic Language
- Advanced Language

RECOGNITION OF PRIOR LEARNING (RPL) / CREDIT TRANSFER (CT)

RPL is a process to assess your knowledge and skills acquired through formal or informal learning and are about what you have learned before. For example, you may have studied some course at AMES or TAFE before coming to MTC and acquired the skills related to the SEE courses.

Please tell your assessor at the interview about all English courses you have done. One reason for having an assessment before you start is for us to find out how much you still remember of what you studied before.

Also, if you have certificates from other places, for example TAFE or AMES, you can give a copy of your certificates to your SEE Centre Manager.

If you need more information about this, you can ask your SEE Centre Manager or assessor. They will explain the process to you and, if necessary, help you fill out any necessary application forms.

CERTIFICATES/STATEMENTS OF ATTAINMENT

A **Certificate** means that you have successfully completed all units of competency to achieve the full qualification. A **Statement of Attainment** certifies that you have completed one or more units of competency but have not achieved the full qualification. MTC Australia complies with the Standards for Registered Training Organisations 2015 and the Australian Qualifications

Framework (AQF), when issuing qualifications and statements of attainment. All qualifications issued by MTC Australia are nationally recognised. Upon successfully completing a Unit of Competency or a full Qualification you may be issued with:

- **Certificate in FSK20119 Certificate II in Skills for Work and Vocational Pathways or**
- **Certificate in 22476VIC Certificate I in General Education for Adults (Introductory) or**
- **Statement of Attainment in FSK20119 Certificate II in Skills for Work and Vocational Pathways or**
- **Statement of Attainment in 22476VIC Certificate I in General Education for Adults (Introductory) or**
- **Statement of Attainment in 22471VIC Course in Initial General Education for Adults or**
- **Statement of Attainment in 22483VIC Course in EAL**

MTC Australia issues a Certificate or Statement of Attainment within 30 days of your completion or withdrawal dates of the SEE Program.

Accredited Certificates or Statements of Attainment will be sent via an email or posted to you upon request. Please remember to inform us if you change your address so that you can get your Certificate or Statement.

If you need more information about this, please ask your Trainer or SEE Centre Manager.

POSSIBLE FUTURE PATHWAYS

Depending on the results of your PTA, you may finish one level (for example **CGEA Initial**) before you finish 650 hours. In such cases, you will study a higher level (for example **CGEA I Intro**) for the rest of your time with us.

Depending on your starting level, what you study and what certificate you get, you may be able to study other courses after you finish your 650 hours with us. (For example, you **may** be able to study Certificate I in Business.) If you need more information about this, ask your Trainer or SEE Centre Manager.

CLIENT TRAINING PROFILE (CTP)

After the Pre-Training Assessment, your Trainer will give you two copies of your Client Training Profile (CTP) and a copy of your class timetable. Please give once copy of the CTP and a copy of your timetable to your Referring Agency (such as Centrelink or Job Active/DES).

The CTP shows:

- the start and end dates of your training at MTC Australia;
- your training hours (full-time or part-time);
- the result of your Pre-Training Assessment;

- what you will study in the first block of training.

ASSESSMENTS (TESTING)

Your Trainer will **test** you to see how well you are doing. These tests will be either **written** or **spoken**.

Your Trainer will explain the tests clearly in simplified language. Your Trainer will also mark the tests, give you your results, and talk to you about your answers.

If you fail a test, your Trainer will explain your mistakes and then you can take the test again. You can take any test as many times as you like.

One rule of the program is that **you must improve** in two areas (learning, reading, writing, speaking or numeracy) for every 200 hours of class. Your Trainer will help you as much as possible and make sure you are well-prepared for all the tests.

If you have any problems during a test, you can ask your Trainer for help.

You can also use a dictionary or a calculator in any test.

ASSESSMENT APPEALS

If you feel your test result was **wrong** or **unfair**, you have the right to speak up. To do so, you can lodge an assessment appeal at any time. MTC Australia takes all assessment appeals seriously and handles them in a timely, professional and confidential manner.

Tell your Trainer if you are not happy with the results.

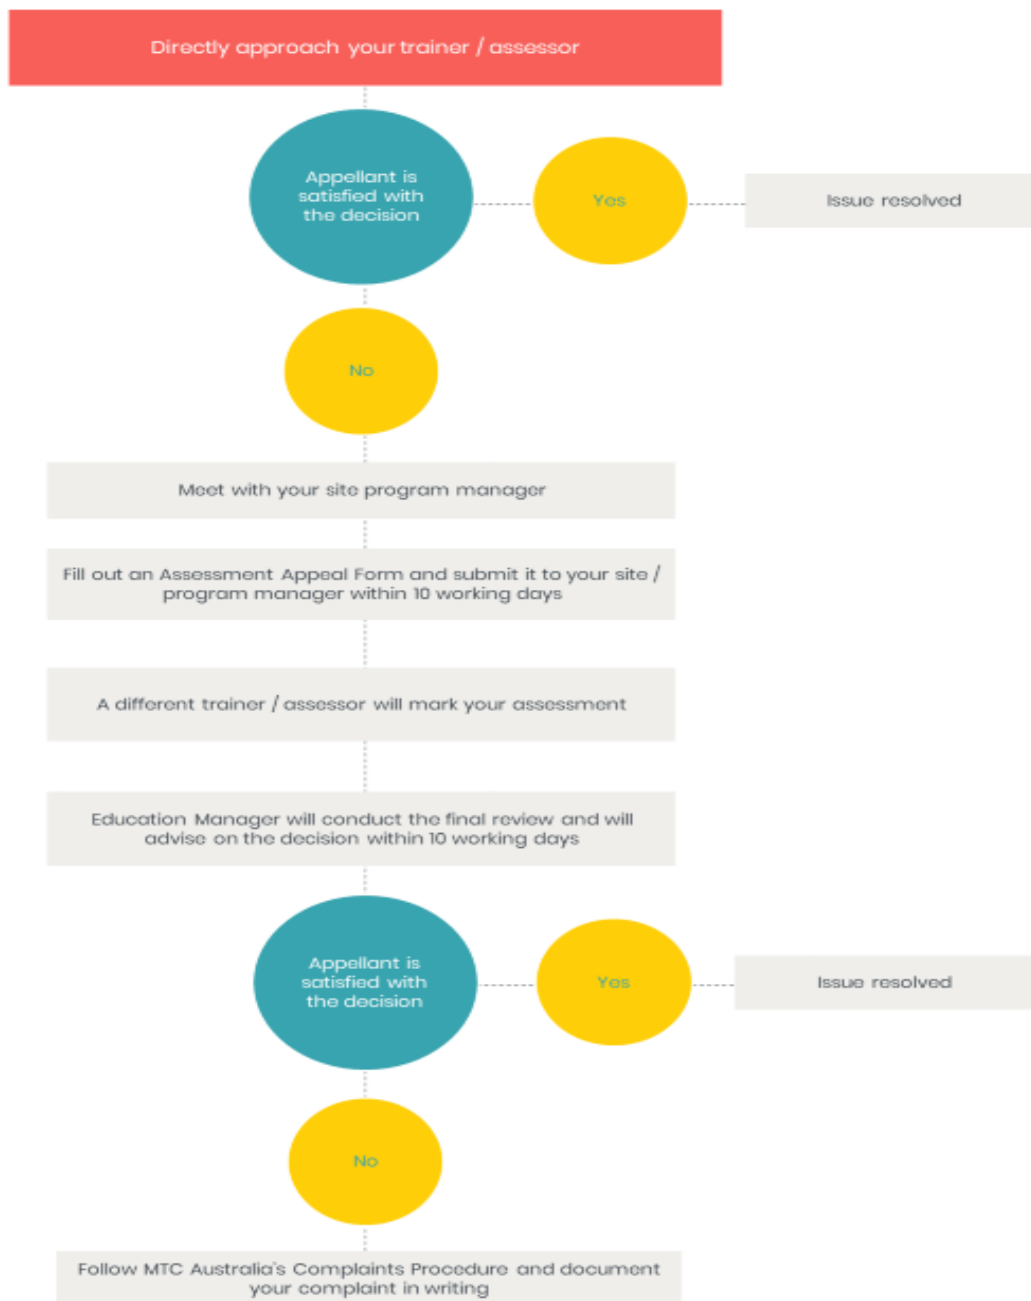

The SEE Centre Manager or SEE Program Manager will help you record all assessment appeals in writing. They will also give you a letter about appeal decisions. MTC Australia has Assessment Appeal Procedure available on MTC Australia Website [ET SOP 046](#) Assessment Appeal Procedure.

To see what happens with your assessment appeal, please refer to the flow chart below. You can also see a copy of this chart on the noticeboard in your classroom.
