What is a PopUp?

SU PopUps are small, local events that promote fellowship, faith and a lot of fun! These events provide a whole new way of caring for our community through sharing in both authentic fun and the love of Jesus. These 2-3hr long Gospel events will serve to deepen existing connections, whilst also providing opportunities to spark new and ongoing connections with children, young people and families in your local area.

What does a PopUp provide?

- A safe place for wholesome activities
- The opportunity to build friendships
- A place to learn positive values
- Good role models
- Shared experiences
- A chance to develop grit and resilience
- and a LOT of fun!

What do I need to run a PopUp?

Here are some questions to think about as you begin to explore your PopUp idea:

- Good News: how will you include the message of Jesus?*
- Theme: what activity will attract interest?*
- Location & venue: where will it be held? (e.g. beach, park, school, hall, etc.)*
- Risks: what risks do I need to identify?*
- Building your team: who will help me run it?*
- Numbers: what is the ideal min/max no. of kids?*
- Program: how will I structure the 2-3 hours?*
- Date/time/season: is this a one-off, or could it be one of many?*

Scripture Union staff will support you in creating a successful event. We can help with: program templates, risk assessments, policies, sign-in sheets, promotion, & more. We think you'll be surprised how quickly and smoothly it can come together!

What theme should my PopUp be?

PopUps can be tailored to whatever niche interest you have that will best serve where you live. What is something that both you and kids enjoy? Explore that idea!
