Katie Kelly

The Athlete Fundraising program has given me the opportunity to raise funds to help cover the exorbitant costs associated with being an elite athlete and performing on the world stage.

Their tax deductible status allows me to provide my generous supporters with the opportunity to claim on their donations, which they'd never previously been able to do. I believe it's a fundamental resource for any athlete competing at the international level.'

Ned Weiland

'I am so grateful that I will be able to fulfil my dream. Without the Australian Sports Foundation's Athlete Fundraising program, none of this would have been possible.'

Amanda Reynolds

'For an elite para-athlete like myself who needed access to the support of a sport-oriented fundraising organisation, the Foundation and its resources has facilitated successful and quick access to funds, and helped raise awareness within the general public arena of para-athlete fundraising.'

Sharon Jarvis

'Competing at a Paralympics does not just happen in my sport without a huge personal financial sacrifice for the everyday necessities in getting to the top.'

Thank you to the Foundation for getting behind Athletes and helping make our dreams a reality.'
