Henschke

150 YEARS OF FAMILY WINEMAKING

Established in 1868, Henschke is resolute in its desire for complete integration of vineyard and winery, through six generations of family grape growing and winemaking tradition in the Eden Valley and Barossa Valley. In the early 1980s, fifth-generation winemaker Stephen Henschke and his viticulturist wife Prue became pioneers of viticulture in Lenswood, a sub-region of the cool-climate Adelaide Hills wine region.

The Henschke family continue to craft their white wines with a focus on purity, and their red wines with a strong sense of place, leading the way with biodynamic practices, complemented by traditional winemaking. They are mindful of their role as custodians of the land and their need to nurture it for future generations.
