

Welcome to Bert's

The Newport has long been known to locals for its great wine cellar, and, with that in mind, we have curated a wine list that celebrates that history and builds on it.

Our extensive list was created by our master sommeliers Franck Moreau and Adrian Filiuta, and it evolves under the guidance of Bert's head sommelier Andres Aragon and his team.

Bert's Wine Room is home to older vintages from classic regions, balanced with some new, exciting producers from all over the world. And, most importantly, our selection highlights the beauty of Australian wines and our regions.

To deliver the best and most consistent quality of wine, we take advantage of the latest technology and tools; such as the Coravin - a device that allows us to pour wine by the glass without pulling the cork, preventing any oxidation.

We hope that our wine list is a reflection of the time, passion, and constant love and effort that it takes to create.
