FRED'S

The beverage list at Fred's has been tailored to represent wines that speak about places, culture and family.
Within these pages you'll find the full spectrum of classic wines, but also lesser known regions or varieties to offer the curious guest the opportunity of a new discovery.

Danielle's sustainable menu philosophy is complemented by a wide selection of attentive growers working with minimal intervention, organic or biodynamic practices.

We are simply ambassadors looking forward to sharing our passion with you.

2016 Domaine Rollin 'Les Cloux' Pernand-Vergelesses - Burgundy, France 25 | 48

The Rollin family have been making wine for four generations, steadily building up the domaine to its current 12ha. This is an estate created through the efforts of working in the vines. The vineyard work is meticulous and, although not certified organic, the methodology in practice is applied in a manner designed to maximize the expression of terroir by eliminating (or reducing to an absolute minimum) any treatments in the vineyards. The result: an outstandingly complex wine to rival the best whites of Burgundy.

2011 Terroir al Limit 'Pedra de Guix' - Priorat, Spain 20 | 40

Terroir al Limit, which was launched in 2004 in the heart of the Priorat region by the famous South African winemaker Eben Sadie and his associate the German entrepreneur Dominik Huber, is one of the most high-profile estate in the appellation. Its original approach breaks free from the rules of traditional vinification. In a terroir planted with old vines, over a hundred years in age, managed according to biodynamic principles, Terroir al Limit produces truly exceptional and very subtle Priorats with a fresh kick.

Red

2016 Domaine de la Butte 'Le Haut de la Butte' Bourgueil - Loire, France 18 | 36

Jacky Blot purchased this Domaine in 2002. Jacky is one of the world's greatest exponents of the Cabernet Franc variety. His viticultural philosophy sees him working closely with nature; fertilisation is now an extinct practice, chemical treatments are practically non-existent and pruning is radically short.

2016 Château Le Puy 'Emilien' Côtes de Francs - Bordeaux, France 24 | 48

You might have heard of Le Puy if you are a fan of the Japanese manga The Drops of God, that in 2009 acclaimed its 2003 vintage and called it a 'miracle wine... produced for 400 years without a drop of pesticide'. The Amoreau family has been living and working on the Château Le Puy estate since 1610 and currently on the 15th generation of winemakers. The work is biodynamic, no chemicals, low yields and very low added sulphites if any.
