4 MANAGEMENT OF RESEARCH DATA	
It is recommended that research dataset/ be lodged in CQUniversity's institutional repository, ACQUIRE system (http://acquire.cqu.edu.au). Please contact the Library by email to acquire@cqu.edu.au for further information.	
If the research dataset/s underlying this thesis is/are already stored in a permanent and accessible location, please provide the details:	
The dataset for my PhD consists of student work and interviews. The students were assured throughout the research that their contribution will remain anonymous. This was also a condition of the ethics approval from the Human Ethics Committee Southern Cross University (SCU). All data (hardcopies and soft electronic copies – on password protected harddrive) pertaining to my PhD is stored in a locked filing cabinet in my academic office (SCU).	
5 COPYRIGHT STATEMENT	
I hereby grant to Central Queensland University or its agents the right to archive and to make available my thesis or dissertation in whole or in part through CQUniversity's Library in all forms of media, now or hereafter known. I retain all copyright, including the right to use future works (such as articles or books), all or part of this thesis or dissertation.	
I confirm that all formats of my thesis and associated datasets do not infringe the copyright of any person, persons or organisation. The digital version of my thesis does not include any material belonging to another party without their explicit permission.

6 ACKNOWLEDGEMENTS

I acknowledge that following successful examination, a final electronic copy of the thesis or portfolio described above, shall be lodged with the Office of Research to be permanently deposited in CQUniversity Library and made available in accordance with the University's regulations governing the submission and examination of research higher degree theses or portfolios. The thesis will adhere to the lodgement requirements outlined in the *Submission, Presentation and Lodgement of Research Theses and Portfolios Procedures*.

Multimedia materials/submissions (which are an integral part of the thesis, but which cannot be bound) will adhere to the lodgement requirements outlined the *Submission, Presentation and Lodgement of Research Theses and Portfolios Procedures*.

*I agree that the thesis or portfolio shall be made freely available for the purpose of research or private study. **Go to Section 8.**

OR

*I request that access to the thesis or, or parts thereof, be restricted for a specified period, and that release of the thesis during that period for the purpose of research or private study be contingent upon the approval of the Chair, Research Higher Degree Committee (or nominee). I understand, in those cases where I am not reasonably available, such approval may be granted without my having been consulted. **(An author electing this option must also complete Section 7 of this declaration).**

*Cross the elected option

7 REQUEST TO RESTRICT ACCESS TO RESEARCH HIGHER DEGREE THESIS OR PORTFOLIO

(I) ACCESS TO YOUR THESIS OR PORTFOLIO AND ASSOCIATED DATASET/S MAY BE EITHER THROUGH THE WORLD-WIDE WEB OR IT MAY BE RESTRICTED TO CQUNIVERSITY (Note: Access conditions must be indicated even if you choose to restrict your thesis for a defined period.)

Select the level of access to your document:

Release the document for world-wide access

OR

Restrict access to CQUniversity campuses only

(II) NOMINATE THE DESIRED PERIOD OF RESTRICTED ACCESS (Restricted access shall normally be granted for a period of up to twelve (12) months. Any extension beyond that period shall be at the discretion of the Research Higher Degrees Committee).

6 months. Note: the maximum period is twelve (12) months.

(III) IS IT INTENDED TO RESTRICT ACCESS TO THE WHOLE THESIS OR PORTFOLIO? Yes No

Where the restriction is intended to apply to parts of the thesis, please nominate the relevant section. (If practicable, such sections should form a separate confidential appendix).

The whole thesis

(IV) INDICATE THE REASON(S) FOR SEEKING TO RESTRICT ACCESS TO THE THESIS OR PORTFOLIO OR PARTS THEREOF
(Sufficient details should be provided in order that a decision may be made in the author's absence).

In collaboration with my supervisors I am in the process of developing and publishing both the educational framework and the results of the research that consistutes this thesis.
This is a new field of research in osteopathic medicine and as such I would like to publish the framework and results before the thesis is released publicly. I am therefore requesting that this thesis is not released for a period of six months.
