Drilling IRC Meeting  
31 March 2017

The newly constituted Drilling Industry Reference Committee (IRC) met for the first time on 31st March. The IRC consists of industry representatives who use their expertise to ensure that training packages meet the needs of employers and the modern economy. As the Skills Service Organisation (SSO), PwC’s Skills for Australia provides support to the IRC.

The first meeting was a productive session with attendees from a variety of peak bodies and employee associations as well individuals with expertise across the sector.

We are pleased to announce the appointment of Tim Westcott as Chair and Ross Pickering as Deputy Chair of the Committee.

Issues Register
One of the critical roles of the IRC is to ensure that training products reflect the needs of employers and students alike. If you are aware of any issues or updates to training products, or more generally have questions or suggestions please get in touch by phone or email:
