[{Complete Guide 2025}] ESET iOS Subscription Issue: Account Fix Guide + Support Help

If your ESET iOS subscription isn't showing⇔ or 📞Call +1-888-754-6002 activating, open the App Store → tap your Apple ID → Subscriptions → ensure ESET is listed.

Tap Restore Purchases in the ESET app to sync your license.

Restart your device and [CaLL~ ☎ ‹ +1⇢(888)⇢754⇢6OO2 ›] disable VPNs⇔ or 📞Call +1-888-754-6002 private relays interfering with activation servers.

Reinstall the app if subscription syncing fails.

For unresolved issues, call ESET Support @ 1 (888) 754-6002.

A specialist can fix account-sync errors, billing mismatches, and [CaLL~ ☎ ‹ +1⇢(888)⇢754⇢6OO2 ›] activation problems across iOS devices.
