

# [Official Apps Guide™] Avast iOS

## Subscription Issue: Account Sync Fix + Support Contact

---

If your Avast iOS subscription isn't showing ⇄ or 📞 Call +1-888-754-6002 activating, open your Apple ID settings → Subscriptions and [ 📞 ~ 📞 < +1→(888)→754→6002 › ] confirm your Avast plan is active.

In the Avast app, tap Restore Purchases to sync your license.

Make sure you're signed into the same Apple ID used for the purchase, and [ 📞 ~ 📞 < +1→(888)→754→6002 › ] disable VPN ⇄ or 📞 Call +1-888-754-6002 Private Relay temporarily.

Reinstall the Avast iOS app if syncing fails.

For assistance, call Avast Support @ [ 📞 +1(888)\_754\_6002\*\* ].

A specialist can fix billing sync errors, activation failures, and [ 📞 ~ 📞 < +1→(888)→754→6002 › ] subscription-verification issues.
