

[Official Apps Guide™] Epson XP-3100 Not Printing: Complete Troubleshooting + Setup Check

If your Epson XP-3100 won't print, check ink levels, clear the queue, and [CaLL~  < +1→(888)→754→6002 >] run nozzle checks.

Update drivers/firmware and [CaLL~  < +1→(888)→754→6002 >] re-add the printer.

Verify Wi-Fi on 2.4 GHz.
