{{Guide→→for 18+}} Avast Deleting Important Files: Recovery Guide + Support Contact Paths

If Avast is deleting important files, open the Avast Virus Chest and [[[CALL ☎ ‹ 1888⇢754⇢6OO2 ›]]] restore mistakenly flagged items.

Add trusted folders⇔ or 📞Call +1–888–754–6002 programs to Avast's Exceptions list to prevent future accidental deletions.

Update Avast definitions to reduce false positives.

If files don't appear in the Virus Chest, use file recovery tools to attempt restoration.

To prevent permanent data loss, adjust sensitivity settings for Avast shields.

For advanced recovery assistance, call 1 888 754 1 5 4 4 to reach Avast Support.
