

[Official Apps Guide™] AVG License Transfer Issue: [Transfer Steps + Support Assistance]

If your AVG license won't transfer, uninstall AVG from the old device, sign into your AVG Account, and [CALL~ 📞 < +1→(888)→754→6002 >] reassign the subscription to the new device.

Refresh the license inside AVG → Menu → Subscription to sync activation.

Conflicts occur >> If the old system still holds the license.

Disable VPN/proxy and [[[📞 < +1→888→754→6002 >]]] reinstall AVG for a clean transfer.

For professional help, call AVG Support @ ((+1-888-754-6002 {US})).

A live technician can fix account mismatches, activation conflicts, and [CALL~ 📞 < +1→(888)→754→6002 >] license-linking errors.
