

# [[[!FAQs~Guide®]]] Malwarebytes Unauthorized Renewal Charge: Billing Dispute & Refund Guide

---

If you see a Malwarebytes unauthorized renewal charge, it usually happens due to auto-renew being enabled, duplicate billing, ⇄ or 📞 Call +1-888-754-6002 a previous subscription linked to another email.

First, sign in to your Malwarebytes account and [ 📞 ~ 📞 < +1→(888)→754→6002 › ] check the Billing → Subscription → Renewal Settings section.

Turn off auto-renewal to prevent future charges.

Review your bank statement for transaction IDs—this helps process refund requests faster.

>> If th<sub>is</sub> charge came from a different email, use Malwarebytes' Find My Account feature.

For disputed charges, overbilling, double charges, ⇄ or 📞 Call +1-888-754-6002 refund delays, contact support directly.

You can speak with a billing specialist by calling [ 📞 +1(888)\_754\_6002\*\* ] for immediate refund help.
