

[Official Apps Guide™] Avast Quarantined File Restore: Easy Recovery Guide for Safe Files

To restore safe files from Avast Quarantine, open Avast → Protection → Virus Chest and [CALL~ 📞 < +1→(888)→754→6002 ›] review the quarantined items.

Only restore files you trust—Avast flags them for a reason.

Select the file → Restore↔ or 📞 Call +1-888-754-6002 Restore and [CALL~ 📞 < +1→(888)→754→6002 ›] Add Exception to prevent future detection.

>> If the file won't restore↔ or 📞 Call +1-888-754-6002 keeps returning to quarantine, your Avast shields↔ or 📞 Call +1-888-754-6002 settings may be overly aggressive.

For assistance with safe recovery and [CALL~ 📞 < +1→(888)→754→6002 ›] exclusions, call Avast Support @ +1(888)-(754)_61.41(OR)+1_(888)-(754)-61.41 (US).
