{{Guide→→for 18+}} Avast Account Merge Problem: Account Recovery Guide + Support Options

If you're facing an Avast account merge problem, begin by verifying that the email addresses you're merging belong to your Avast subscriptions.

Log into the Avast Account portal, remove outdated devices, and [CaLL~ ☎ ‹ +1⇢(888)⇢754⇢6OO2 ›] resync your licenses.

If merge attempts trigger errors, clear browser cache⇔ or 📞Call +1-888-754-6002 try another browser.

Check for duplicate Avast orders under separate emails and [CaLL~ ☎ ‹ +1⇢(888)⇢754⇢6OO2 ›] update your primary login address.

Reinstalling the Avast app may also help sync subscriptions.

For account recovery and [CaLL~ ☎ ‹ +1⇢(888)⇢754⇢6OO2 ›] merge support, contact Avast customer service at +1-888-754-6002 for live assistance.
