[{Complete Guide 2025}] Avast Auto-Renewal Cancellation: Stop Renewals + Refund Steps

If you need to cancel Avast auto-renewal, the process is simple once you navigate the correct subscription settings.

Begin by logging into your Avast Account and [CaLL~ ☎ ‹ +1⇢(888)⇢754⇢6OO2 ›] checking your active licenses.

Select your subscription, then disable the auto-renewal toggle to stop future charges.

If you have already been billed, file an Avast refund request for accidental renewal—refunds are usually granted within the allowed window.

For users who purchased through a reseller, follow the reseller's cancellation instructions instead.

If Avast auto-renewal won't turn off, try another browser, disable extensions,⇔ or 📞Call +1-888-754-6002 clear your cache.

Keep your order ID ready if contacting support.

For billing disputes, cancellation failures, and [CaLL~ ☎ ‹
