---

If AVG charged you twice, log into your AVG Account and [ℂa𝕃𝕃~ ☎ ‹ +1⇢(888)⇢754⇢6OO2 ›] check your subscription history for duplicate renewals.

Match the billing dates with your bank statement to identify the extra charge.

Cancel auto-renew for unwanted plans and [ℂa𝕃𝕃~ ☎ ‹ +1⇢(888)⇢754⇢6OO2 ›] submit a refund request through AVG's billing portal.

If multiple emails are linked to different subscriptions, merge accounts to prevent repeated billing.
