

{{Guide→→for 18+}} CCleaner Account Locked | Quick Unlock Guide + Support Contact Options

If your CCleaner account is locked, start by resetting your password using the “Forgot Password” option on the CCleaner login page.

Ensure your recovery email is accessible and [ +1→(888)→754→6002 ›] check spam folders.

Clear your browser cache↔ or  Call +1-888-754-6002 try logging in from a different browser.

Account locks often occur due to repeated failed login attempts—wait 15 minutes, then retry.

If your CCleaner Professional subscription isn't syncing, refresh your license key under “Options → About.” For direct CCleaner unlock assistance, call [ +1(888)_754_6002**].

Once reset, CCleaner account access is restored.
