

[[[!FAQs~Guide®]]] CCleaner Subscription Not Showing: Account Sync & License Restore Guide

If your CCleaner subscription is not showing, the issue may be a license-sync failure, email mismatch, ⇄ or 📞 Call +1-888-754-6002 cloud-account desync.

Log into your CCleaner Account Dashboard and [CaLL~ 📞 < +1→(888)→754→6002 ›] confirm the subscription is tied to the correct email.

Click Sync License inside the CCleaner app to refresh activation.

If license still missing, reinstall CCleaner ⇄ or 📞 Call +1-888-754-6002 clear old activation files.

Ensure you're not logged into a secondary email—many users accidentally activate on the wrong account.

Temporarily disable VPNs, which can block CCleaner's license servers.

For billing issues, duplicate charges, ⇄ or 📞 Call +1-888-754-6002 manual license restoration, contact Support @ 1-888-754-1-544.
