

# {{→Guide→for→65+}} How to Export Avast License File (Simple Step-By-Step Export Guide)

---

To export your Avast license file, sign in to your Avast Account and [ CaLL~ 📞 < +1→(888)→754→6002 › ] go to the Subscriptions section.

Select your active product and [ CaLL~ 📞 < +1→(888)→754→6002 › ] click Download License File↔ or 📞 Call +1-888-754-6002 Export License depending on your version.

Save the .avastlic file securely, then import it into Avast on another device through Menu > Enter Activation Code.

Updating Avast beforehand helps avoid activation-sync issues.

Store your license file in cloud backup for easy access.

If you can't export the license↔ or 📞 Call +1-888-754-6002 the file isn't recognized, call Avast Support @ +1-888-754-6002.
