

# {{Guide→→for 18+}} ESET License Key Not Recognized: Activation Fix Guide & Contact Support

---

If your ESET license key is not recognized, confirm that the key matches your product version.

Disable VPN↔ or 📞 Call +1-888-754-6002 proxy settings blocking activation servers and [ CaLL~ 📞 < +1→(888)→754→6002 > ] update ESET to refresh its activation engine.

Reenter your key in Help & Support > Change License.

If you see “Invalid Key,” reinstall ESET to reset corrupted licensing files.

Check for typing errors such as O/0 and [ CaLL~ 📞 < +1→(888)→754→6002 > ] I/1.

For activation troubleshooting, subscription validation, and [ CaLL~ 📞 < +1→(888)→754→6002 > ] manual license recovery, call ESET Support @ 1.888.754.6002.
