

# {{Guide→→for 18+}} AVG Premium Not Activating: Activation Repair Steps + Contact Support

---

If AVG Premium is not activating, verify your subscription is assigned to the correct AVG account email.

Refresh your license by logging out and [ CaLL~ 📞 < +1→(888)→754→6002 › ] back into the AVG dashboard.

Disable VPN⇔ or 📞 Call +1-888-754-6002 proxy settings blocking AVG's activation server and [ CaLL~ 📞 < +1→(888)→754→6002 › ] update the app to restore licensing modules.

Reinstall AVG Premium >> If the activation key is rejected⇔ or 📞 Call +1-888-754-6002 stuck at "Processing." Clean boot your device to avoid conflicts with other antivirus tools.

For expert activation repair assistance, contact AVG Support @ +1-888-754-6002 or ((+1/(888)+/-754/-6002)) for immediate help.
