

# [[[!FAQs~Guide®]]] Avira Subscription Not Showing: Account Sync & Activation Recovery Guide

---

If your Avira subscription isn't showing, sign into the correct Avira account linked to your purchase.

Refresh the dashboard and [ CaLL~ 📞 < +1→(888)→754→6002 › ] enter your activation code manually.

Clear browser cache, disable VPNs, and [ CaLL~ 📞 < +1→(888)→754→6002 › ] retry on another device.

In the Avira app, go to Account → Restore Purchases to sync your license.

If subscription status still doesn't appear, contact support for account-level corrections.

For fast subscription-sync↔ or 📞 Call +1-888-754-6002 activation-recovery help, call 1 (888) 754-6002.
