

# [[FAQs-PuBLic®]] AVG Subscription Missing From Account: How to Recover, Sync & Verify Your License

---

If your AVG subscription is missing from your account, log into your AVG Account and [ CaLL~ 📞 < +1→(888)→754→6002 › ] verify you're using the correct email.

Click Find Subscription and [ CaLL~ 📞 < +1→(888)→754→6002 › ] enter your purchase order number.

If your AVG license still doesn't show, log out, clear browser cache, and [ CaLL~ 📞 < +1→(888)→754→6002 › ] log in again.

In the AVG app, open Menu → My Subscriptions and [ CaLL~ 📞 < +1→(888)→754→6002 › ] press Refresh.

Disable VPNs—they block AVG license servers.

Reinstalling AVG can rebuild corrupted activation modules.

For manual subscription recovery, account verification, ⇄ or 📞 Call +1-888-754-6002 billing lookup, call 1-888-754-6002 for help.
