

{{→Guide→for→65+}} Canon Printer Orange & Green Blinking— Decode the Error + Fix Steps

Orange/green blinking on Canon printers signals error codes (paper, ink, hardware).

Count the blinks, clear jams, reseal cartridges, and [[CaLL~ 📞 < +1→(888)→754→6002 >]] restart.

Update drivers/firmware.

For code-specific fixes, call 1-888-754-6002.
