Maximizing Your Chances and Confirming Your Upgrade

Book Higher Fare Classes: While not always feasible, booking a more expensive economy fare class (e.g., Y, B, M) increases your priority for complimentary upgrades. **Fly Less Popular Routes/Times:** Weekends, holidays, and peak business travel hours often have fuller premium cabins. **Check-in Early:** For complimentary upgrades, checking in precisely 24 hours before your flight can sometimes improve your waitlist position. **Consider a Delta SkyMiles Credit Card:** Certain co-branded cards can offer benefits that contribute to Medallion Status or provide upgrade opportunities. **Be Flexible:** Sometimes, simply taking an earlier or later flight can open up upgrade possibilities.
