If there is a failure of technology, the video can be found here: <https://youtu.be/LEbwiOvo5k4>

BIBLE READING: Luke 14:1-24

Listen to the bible reading on screen, if you can read the story for yourself from your own Bible!

DURING THE SERMON:

Create:

- Make it. Use whatever you have at home (paper, craft supplies, Lego, other construction items, playdough, foil, pipe cleaners etc) to create the story.
- Draw it. Make a comic of the story. If you have a printer at home, you can print a great comic book template from here: <https://picklebums.com/free-printable-comic-book-templates/> Otherwise, you can draw your own template and fill it in with a great comic!
- With all of these, we'd love it if take a photo and post to the Barneys Facebook group or slack channel #kids_on_sunday

REFLECTION & PRAYER

Adults can reflect on what they've heard in the sermon, and talk with kids about the story. Here are some possible questions to get kids thinking:

1. What do you think the Great Banquet Jesus talks about is meant to remind us of?
2. Who is the person hosting the banquet?
3. What is Jesus teaching the people about going to the Great Banquet in Heaven?
4. What does it mean to accept Jesus' invitation?
