## Chairpersons Annual Report 2006

---

It gives me great pleasure to present this annual report on behalf of the executive, diocesan and association coordinators and individual sport conveners. The scope of this report reflects another amazing year of sporting achievement for our catholic school students and staff in secondary schools across NSW. It is also a reflection of the incredible talent we have in our catholic schools and the pathways that are available in a wide variety of sports on a year to year basis. It is certainly rewarding to see students from our catholic secondary schools listed as members of NSW All School and Australian teams.

At the very start of the year our Combined Catholic Colleges association had the task of filling a variety of convener positions which became a priority for us. We certainly need Principals and schools to put their continued support behind teachers who are essential to the promotion of our pathways and also to acknowledge the scope of the work involved as a convener. Our website continued to develop as an up to date, reliable tool for use by schools, teachers, parents and students. We are promoting our website as the major communication link and therefore I have stressed the importance of keeping information current. I must take this opportunity to again thank Adrian Brown at the Catholic Education Commission for his ongoing support of our website and I look forward to further developments in this area.

The annual report that follows is a most detailed account of the many sporting events for the year 2006. It highlights the representative pathways that are now in full operation and the complex yet incredible organisation that takes place to allow all these opportunities to come to fruition. A great deal of thanks must go to the individual sports coordinators at each and every school in our system. They are at the coal face where these sporting opportunities are communicated and work tirelessly often well outside their normal teaching duties. To the NSW CCC sports conveners, thank you for work in promoting and organising your sport. The expertise, motivation and passion you have in coordinating your sport and ensuring access into the all schools arena is invaluable and you are all vital components to the success of CCC. To the diocesan and association representatives – a job well done. Your role in administering and organising your schools is ongoing throughout the year and again vital to allow our pathways to function so effectively.

I would also like to take this opportunity to thank the members of the CCC executive – Joshua Holmes, Linda Densmore, Helen Notley and Paul Kennedy for the great work they have done throughout the year. This working committee has met regularly to formulate policy and discuss a wide variety of council issues, all in the aim of making CCC a more professional and effective association. My thanks to you all for your professionalism and dedication to the job.

The diverse roles mentioned so far are all vital components to the successful operation of the CCCSA. We all must continue to be aware that we are one part of a team, that the association caters for students from all over NSW in over 20 sports and remain open minded to the reality of existing resources that are available to us. Our organisation has been fortunate to have a dedicated executive officer in Kym Skerritt. Kym has approached her role in a professional, friendly and efficient manner and is always there to support the needs of council members, Principals, schools, students and families. Along with this Kym provides a vital link to both the Catholic Schools Coordinating Committee and to the NSW All Schools sporting structures. Congratulations on a great year and thank you Kym on behalf of all involved in catholic school sport.

Finally, my thanks to the members of the Catholic Sports Coordinating Committee. Your support and guidance of our CCC council and your communication to the Conference of Directors and Association of Catholic School Principals is very much appreciated. As we look ahead to secure our future it is imperative that our council members and enthusiastic teachers continue to receive support from their respective Principals and Diocesan Offices. To those who are leaving us thank you for your contributions and good luck to you in the future.

Please take time to read this NSW Combined Catholic Colleges Annual Report for 2006, I am sure you will be impressed with the quality of our students and the structures we have in place.

# EXECUTIVE OFFICER'S REPORT

---

As you will see in this report, this program has provided many opportunities for students and teachers at all levels of competitive sport.

The announcement of Australian teams which include students who have been through our program remind us that what we do is worthwhile and a valuable part in our school curriculum.

In my report I want to thank all those who have contributed to the success of NSW Combined Catholic Colleges. These groups are made up of people who are eager to contribute their talents and interests in a variety of ways.

CSSA – Catholic Secondary Schools Association have provided us with a structure that ensures the longevity of this program and provides workable guidelines.

CSCC – Catholic Sports Co-ordinating Committee establish those procedural guidelines to ensure consistency and efficiency. Special thanks go to Gary McSweeney, chairperson, for his support of the secondary program.

Website – our website continues to become a necessary and valuable source of communication. Many thanks to Adrian Brown from the Catholic Education Commission who manages to find time to maintain the website on our behalf.

CSCC employees – Ann-Marie Miranda, Executive Officer – Primary who keeps alive the link between CCC and CPS and provides me with great support. Bev Vimpany, who provides the financial support that ensures payments are made and monitored and also provides wonderful support.

The NSW Conveners work specifically with their sport ensuring rules of play and selections provide a level playing field and ensure all students are given a fair go. In particular, I would like to thank conveners who have retired, David Regatter & Craig Beacroft – Cross Country, John Ossio – Girls Soccer and Megan Bertenshaw – Netball. In most cases these people will still be involved as coaches, managers, selectors or co-ordinators of competitions. I would also like to thank their schools for providing the support for them to carry out their duties.

Diocesan Sports Representatives will often work with conveners by supporting activities that are held in their local area. Often it is the local community's hospitality that provides the most memorable moments. Special mention must go to the rural areas that have a wonderful way to ensure all have a good time. We also acknowledge your efforts to ensure your students are given the opportunity to attend NSWCCC selections when at times cost and isolation are great barriers. Bill Caddey, David Koch and Eamon Brown are no longer representing their groups but their contribution is duly noted and appreciated. We wish them well in their new appointments.

School principals who support and value the representative sports program in what is a very busy schedule where representative sport is not a mandatory requirement. However, it is viewed as a way for those to use their god given talents. Many of whom we honour at the Blues Award Presentation.

Sports Co-ordinators – No structure is successful unless it has people working at the grass roots level. Your tireless efforts to be the first port of call to the student is necessary and appreciated.

Parents who battle to ensure their children have a balance in their lives so that they may become adults that can share their lives in the future to make this a better world.

Students – thank you for sharing your talents in a gracious way. We pray your achievements continue and that you may share your talents with others.

In 2007 we welcome a new association to NSWCCC – Sydney Catholic Colleges. We look forward to participating with those schools ensuring teachers and students have access to NSW representation.

Please take time to look through this report and take note of the names and schools of these people.

I have enjoyed working with all groups and look forward to 2007.

# DIOCESE OF ARMIDALE

## **NSWCCC ANNUAL REPORT 2006**

The Diocese of Armidale has again competed successfully at all major CCC carnivals including Athletics, Cross Country, Touch Football, Soccer and Swimming. Individual sports such as Triathlon with great results at All Schools especially Jack Hickey whilst Michael Chapman's selection in the Australian Touch Team was an exceptional effort.

The opportunity to be able to compete at this level is greatly appreciated by the parents, students and schools of the Armidale Diocese. Due to costs, distances to travel and time away from school, parents and students are becoming far more selective in the number of events that they participate in.

On a Diocesan level the Schools competed in Touch Football Carnivals, Netball, Tennis competitions, Cochrane Cup Rugby League, Berg Shield Cricket, Super 8's cricket, Rugby Union and Soccer days. All of these competitions enabled students to compete in a round robin format, with multiple games on a single day in effect minimizing cost and time away from school. The one day format is endorsed by Principals and Sports Organisers of the Armidale Diocese and will be pursued as the preferred format in all competitions in 2007.

The individual Sports Organisers of the Diocese, Tim Kennedy (St Mary's Gunnedah), Luke Hamilton (St Philomena's Moree), Bernie Williams (McCarthy Tamworth) and Greg Jones (O'Connor Armidale) all must be acknowledged for their commitment in time and energy in organising School, Diocesan and CCC Sport.

The Armidale Diocese looks forward to expanding and improving the sporting opportunities available to our students in 2007 and utilizing the pathways available to us. We acknowledge the contributions made to CCC Sport by Kym Skerrett, John Sparks and the many individual Sport Convenors who enable our students to access the many opportunities available to them.

Regards,

**David Koch**

## **NSWCCC ANNUAL REPORT 2006**

Success in representative sport has continued in 2006 for the Diocese of Bathurst. Much credit goes to the numerous CCC and Diocesan Trial Convenors and Team Managers, as well as schools sports coordinators. Their collective professionalism and obvious commitment have provided the pathways for so many children to use their God-given talents so effectively. A big thank you must also go to the parents for their practical support of their children and for their assistance, with other volunteers, at carnivals and trials. A special thank you to Kym Skerritt, Executive Officer, for her leadership, enthusiasm and hard work.

Well done to all students who took part in sport at any level this year with special congratulations to those who went on to representative honours.

Three hundred and twenty three students from our secondary schools represented the Diocese at the full range of CCC sports. Of these three students attended the School Sport Australia Championships representing their state in their chosen sport.

They were:

Amanda Marks from MacKillop College, Bathurst who attended the National Cross Country Championships in Hobart; Olivia Evans who competed at the National Swimming Championships Sydney; Tamsin Lee from MacKillop College, Bathurst who went to South Africa with the Australian Team.

This year the Diocese hosted the School Teams Tennis Tournament in May, The Lord Taverner's for Girls Cricket in November and the NSW All Schools trials for the U 16 Boys in early December. These events provided a wonderful opportunity to showcase our great facilities and well as share some good country hospitality with the visiting students and their families.

2007 will see the Diocese begin the implementation of Meet Manager for the major carnivals – swimming and athletics.

The Bathurst Diocese looks forward to their continued involvement in Combined Catholic Colleges Sport in 2007.

# ARCHDIOCESE OF CANBERRA AND GOULBURN

## NSWCCC ANNUAL REPORT 2006

There are ten secondary schools in the NSW sector of the Archdiocese of Canberra and Goulburn. Many of the schools are smaller central schools in isolated rural areas. To represent their school and archdiocese in sporting competitions not only provides students the opportunity to experience a higher level of competition but more importantly it encourages them to be active members of a much larger community of schools.

Through the provision of a representative pathway, the Catholic Sports Coordinating Committee enables secondary students from the Archdiocese of Canberra and Goulburn to actively join the wider community of Catholic schools. I would like to take this opportunity to thank CSCC, the Combined Catholic Colleges Sports Association, the many carnival and trials convenors and CSCC executive Officer, Kym Skeritt for the support they have given to the staff and students from our archdiocese.

Over 250 secondary students represented the Archdiocese of Canberra and Goulburn at CCC events with 19 students going on to represent in NSWCCC teams and 4 in NSW All School teams, a great advertisement for our pathways. Congratulations to Bart McPherson, Grace Harvey and Will Grant from Lumen Christi College in Pambula and Tegan Gale from Trinity College Goulburn who gained NSW All Schools representation.

I would like to thank the many staff from schools throughout the Archdiocese who have assisted in convening trials and managing teams. Some of these staff members have been the backbone of representative sport for many years and continue to give dedicated service to our school communities. I would also like to welcome and thank the teachers who have recently joined the ranks of convenors and managers; your contribution is most appreciated. Our retiring Director, Mr Geoff Joy has been a great supporter of the secondary sporting pathway, his assistance and support for the past 14 years is greatly appreciated. We look forward to continued support from our new director Mrs Moira Nadjeki.

As I have been acting in this role for one year, I appreciate the support and advice given to me by Kym Skeritt and the other Diocesan Sport Coordinators; their willingness to share their knowledge and experience is greatly appreciated.

Finally, I would like to wish all of the CCC community the best of fortune for the coming year.

## NSWCCC ANNUAL REPORT 2006

The Diocese of Lismore Sports Program has continued to have many successful outcomes throughout this past year. I extend another sincere thank you and well done to our dedicated school sports coordinators as well as to the various carnival and trial conveners and team managers. Collectively they have made immeasurable contributions to sport in their schools and in the diocese as a whole. Their commitment to, and concern for, providing the opportunities and pathways have enabled a very large number of students to benefit greatly from their positive experiences in sport.

I wish also to express my thanks to parents for your practical support of your children and for your assistance, with other volunteers, at carnivals and trials.

Indeed, a big thank you to anyone who contributed in any way to the success of school, diocesan and CCC sport with special appreciation extended to our principals and school executive for much-needed support.

Well done to all students who took part in sport at any level this year with special congratulations to those who went on to representative honours.

The many highlights of 2006 have included:

- ❖ Another very impressive number of students from our secondary schools gaining selection into NSW CCC (Combined Catholic College) sides, a select band of these making it into a NSW All Schools or Australian side.
- ❖ The continued outstanding efforts of Gemma Johnson (Trinity CC, Lismore) in swimming at School Sport Australia level. Gemma was placed in three events after having won three gold medals and a silver at NSW All Schools. Prior to that she won six events and set two new records at CCC.
- ❖ The continued high level performance of our Diocesan Swimming team as a whole as well as some outstanding individual efforts at CCC and beyond.
- ❖ The achievements of Aiden Tolman and Albert Kelly (both St Paul's College Kempsey), who were named in the Australian Schoolboys Open and Under 16s Rugby League teams, respectively. The Under 16s was a merit team with Albert also being named player of the SSA Championships.
- ❖ St John's Woodlawn's Under 14s team taking out the prestigious statewide Cochrane Cup for the 3<sup>rd</sup> year in a row. All games undertaken were won decisively with a 30-12 scoreline in the final.
- ❖ Diocesan Boys Open Touch Team – CCC Champions 2006, and a number of boys and girls selected into the CCC Touch teams for NSW All Schools.
- ❖ The excellent result of the Lismore team at the CCC Athletics to finish 3<sup>rd</sup> (of 14) in the Diocesan/Association points table. This was indicative of some sterling performances by so many of our team members and was despite our greatly reduced team numbers – a number of other quality athletes withdrew. Special congratulations to Matt Pratt (St Joseph's Port Macquarie) - 16 Years Boys Champion.

- ❖ The unmistakable sense of team spirit that seems to be a part of so many of our diocesan teams despite the varied locations from which our team members come. This same team spirit is very noticeable amongst school teams as well. A great amount of credit goes to our excellent team managers and, of course, to the students themselves.
- ❖ John Paul College, Coffs Harbour's effort to win the CCC Boys Hockey School Teams' Championships at Tamworth.
- ❖ St John's College Woodlawn's triumph in the National Marist Netball Championships defeating the other Lismore school, Trinity Catholic College in the final – in Perth!
- ❖ The all Lismore CCC Open Mens Basketball final - St Joseph's Boys Port Macquarie contested a tough game against John Paul College, Coffs Harbour with the Port boys being successful at the final buzzer.
- ❖ Some other outstanding individual performances and representation including: Mitch Robbins (Cross Country), Emma de Groot (Golf), Brianna Malcolmson (Golf), Josh McHugh and Rhys Williams (Triathlon), Josiah Purss (Diving), Kristy Durheim (Netball), Kate MacInnes (Netball), Simon Milenko (Cricket), Todd Seymour (Hockey), James Magnusson (Swimming), Tina Sherratt (Athletics), Simon Campbell (Athletics), Laura Patterson (Athletics), Beau Montgomery (Touch and Basketball) and Angela Reakes (Cricket).
- ❖ The continued growth, interest and success in primary and secondary sport for children with disabilities (over 20 children Year 2 to 12 participated at diocesan level or above). A very special mention to Bennett Powell (St Joseph's Port Macquarie) on his wholehearted and very successful efforts in both swimming and athletics.
- ❖ The successful hosting of the 2006 CCC Touch Championships/Selection Trials at Port Macquarie. Convener John Hassett, along with the St Joseph's College, Port Macquarie and wider communities, are to be congratulated on such a well organised and run carnival. Their efforts to overcome that great challenge of providing sufficient selectors and referees ensured the desired outcomes for this major event.
- ❖ Another contributor to CCC Sport was again Leroy Conroy, John Paul College, Coffs Harbour Sports Coordinator, as the very effective CCC Golf Convener (as well as being our long time Diocesan Athletics Convener).
- ❖ Mark Morrison's role in the victorious CCC 15s Rugby League team – National Championships. Mark, from St Paul's Kempsey, was team coach.
- ❖ The biannual Secondary Sports Coordinators' Conference at Yamba was again very practical and successful.

### NSWCCC ANNUAL REPORT 2006

Each year the sporting calendar becomes more crowded. Juggling hours of training, school and studies places many pressures on our students. However through all the pressures our students take up the challenges and follow their dreams and goals on the journey along the pathway of selection.

The students in NSW Catholic Schools and Colleges are indeed fortunate to have the opportunity to follow their dreams and goals. These pathways allow our students the opportunity to realise their goals and bring to fruition the years of training and dedication. Through the pathway of the NSW Combined Catholic Colleges the doors are open for our students to pursue their goals with the knowledge that selection to represent at higher levels is achievable.

On behalf of the Diocese I would like to congratulate all our students for their fine sportsmanship and excellent behaviour at all levels, we are proud of them.

None of this could have been achieved without the hard work and dedication of the teachers who contribute so generously to the nurturing and development of our student's talents and skills. I would like to acknowledge and thank our teachers for the way in which they so willingly assist with our diocesan squads, managing, convening and coaching individual and sporting teams, very often in their own time.

Our Diocesan Secondary Schools Sports Association has an important role to play in the Diocese. The Association has developed a supportive partnership with schools, Diocese and students. They are responsible for organising and coordinating the many Diocesan events which occur during the year. Congratulations to the Diocesan Secondary Schools Sports Association for the high standard of carnival they provide for our students.

A special thank you to our principals who are supportive and willing to assist with the many demands placed on them. Your continued support it is very much appreciated.

Thank you to the NSW Combined Catholic Colleges Convenors for the wonderful work you do organising the many and varied sporting championships. Your hard work is appreciated and valued.

The opportunities the NSW Combined Catholic Colleges provides for the students could have far reaching outcomes in their lives as they discover and develop their God-given potential in the sporting arena.

Thank you to Kym Skerritt for her continued support, and patience.

Kym the passion, energy and dedication you give to NSW Combined Catholic Colleges is well above and beyond the call of duty - Thank you.

*"May your desire to educate  
evoke the unique gifts  
of each student and the  
deep desires of each heart"*

## PARRAMATTA DIOCESE SECONDARY SCHOOLS SPORTS COUNCIL

### NSWCCC ANNUAL REPORT 2006

The Parramatta Diocese has had an extremely successful year in 2006. The achievements of both our individual competitors and representative teams have seen them become a formidable force not only within the NSWCCC competitions, but also in All School and National events, as I will outline in this report. Once again we will have the opportunity to recognise the fine performances of these athletes at the annual presentation day.

Firstly, I would like to thank all of the staff within the Diocese that have donated their valuable time in helping this year be as successful as it has been. To all of the coaches of the various representative teams, especially those who had to spend time away from their families with overnight trips, they're managers, other training staff that assisted with the selection and training of the teams. To the team managers and officials who have put in many hours in supporting the students at the many carnivals during the year.

The PDSSSC carnivals ran smoothly again this year and were not interrupted by any wet weather. A more comprehensive account of these days can be found in the individual carnival reports. Our students who were selected to represent the PDSSSC at the NSWCCC carnivals did so with distinction, attaining some extremely impressive performances.

The Thursday interschool sporting competition continues to be strong. This year we were hampered by some rained out rounds, especially during competition two and three. Unfortunately, this meant that there was a need to alter the nature of some of these competitions to enable us to give the students as many games as possible by replacing the finals with washed out games. Who could believe that in this time of drought we would actually be talking about washed out games. Most of these lost days were mainly due to the Council's closing the fields to allow the grass to actually grow back.

One concern I have about the Thursday competition is the viability of the senior competitions. Due to the number of schools who now allow their senior students to go home during the sport period, it seems that the number of teams entering each of these competitions has decreased. This has been to the point where some competitions did not run this year as a result of low numbers. This is an issue that will need to be discussed later in this meeting by the schools concerned.

The Parramatta Diocese representative teams competed at numerous NSWCCC Championships and were extremely successful this year. Our Touch teams, who travelled to Port Macquarie, demonstrated their superiority by being named the best Diocese in the state. Unfortunately, although we had three out of the four teams make the grand finals none of them were able to get over the final hurdle. The consistency of their performances was the key to being crowned top Diocese.

Two PDSSSC teams who were successful in winning the NSWCCC competitions were the Open Boys and Girls Soccer teams. Who could believe the difference that one year would make in the performances of these two squads. Last year, I had the pleasure of travelling to Armidale with these teams. The trip was great, however, the results were not. This year both teams came together, worked as one and surprised many people with their spirit and talent.

This year I would like to again acknowledge the hard work that goes on behind the scenes. In particular this year, I would like to thank Mrs Dawn Hackett for taking on the role of PDSSSC accountant. This is a thankless job that Dawn does extremely well. I would also like to thank the many hours of work that Lisa Scott, my assistant does in making sure that the association runs smoothly. Her efforts can be seen in many different areas, one of which will be showcased again at this years presentation day.

Thanks must go to Ms Kristen Sunner who works tirelessly as the PDSSSC uniform officer. I'm sure all would agree that the quality of the uniform that is available for our students and staff to purchase is of the highest quality. Not only are the designs eye-catching, but there is also a fantastic range to suit all tastes. It is very impressive to attend one of the NSWCCC carnivals, or to attend one the NSWCCC sporting tournaments to see a sea of blue and gold uniforms. She continues to hold this position without any release, which I am truly grateful for.

Last but not least, to the Sport Coordinators. I would again like to acknowledge your efforts and hard work in making all of the above actually happen. Without your never say 'no' attitude in organising events and the endless hours you put in to make them work, this sporting organisation would not be what it is today. I would like to thank you for all the help you have given to me this year and I hope that we can continue to provide quality sporting experiences for all of the students in our schools and diocese.

PDSSSC Sport Coordinator

# CHRISTIAN BROTHERS SPORTS ASSOCIATION

## NSWCCC ANNUAL REPORT 2006

The Christian Brothers Sports Association (CBSA) experienced yet another successful year in 2006. The nine member schools all worked cohesively to ensure all our young men were given opportunity in a wide range of sporting competitions and gala events.

The past year has seen St. Maroun's enter the senior competition within the CBSA. Their membership will be extended next year to the U14's competition. The commencement of 2007 will see another addition to the Association. The CBSA will welcome Rosebank College into the senior competition. We wish both colleges well with the challenges that lay ahead.

The support of each member school is greatly appreciated. The guidance of each member Principal has allowed the development and promotion of the ethos of the CBSA. The ongoing commitment and organization that the Sports Coordinators and Convenors continuously display is greatly appreciated. This dedication has allowed the CBSA to run in a professional manner and optimises the opportunities for the students in a wide range of sports.

The willingness of the coaches of the many sports the CBSA offers must also be acknowledged. Their time is invaluable for our students not only in the development of their sporting skills, but also by promoting good sportsmanship.

The CBSA must also thank NSWCCC for their ongoing commitment to providing students with valuable sporting opportunities. In particular, I would like to thank Kym Skerritt for her continued support, effort and organization that she continuously displays in her role as NSWCCC Executive Officer.

Congratulations to all the students who have represented their respective schools in the CBSA competitions. They are to be commended on their dedication, competitive spirit and fair play that they display every time they play. I would like to particularly congratulate the students who have progressed beyond the CBSA competitions in their chosen sport and become CBSA, NSWCCC and All Schools representatives.

I would like to take this opportunity to thank Good Samaritan Catholic College for the contribution they have made to the CBSA since their inclusion in 2002, and in particular for their role as President, Secretary and Treasurer in 2006. Unfortunately, Good Samaritan Catholic College will be leaving the CBSA in 2007, which will see the departure of John Lo Cascio (Principal) and Eamon Brown (Boys Sports Coordinator) from the Association. Aaron Hickey (Casmir College) will also be temporarily leaving the Association in 2007. We thank him for his continued support and commitment.

This year the CGSSSA has continued to promote student participation at a NSWCCC level and beyond. This promotion combined with the sporting programs in our member schools and local sporting association has led to a steady stream of students participating in NSWCCC events this year. During 2006 CGSSSA teams competed in Swimming, Diving, Athletics, Cross Country, Soccer and Touch. Individual students have also attended trials for and gained selection in a variety of other sporting teams at a NSWCCC level. This year the CGSSSA had 112 students compete in NSWCCC events and teams. Representation in 2006 was as follows

<b>Sport</b>	<b>Participants</b>	<b>Sport</b>	<b>Participants</b>
Cricket	1	Softball	1
Cross Country	15	Swimming	50
Diving	6	Tennis	2
Hockey	1	Touch	3
Netball	2	Volleyball	15
Soccer	3	Water Polo	13

The diversity of skill amongst our students is evident in the range of sports in which students have represented. Such representation also reflects the diverse skills and knowledge of the staff within our association and their willingness to contribute to student involvement in NSWCCC events and beyond. The processes of team selection, management and coaching require a significant time commitment from staff. It was good to see some new staff becoming involved in representative level sport but by enlarge the same faces continue to appear.

At a practical level I reiterate my feeling that it would be of benefit to develop further the NSWCCC website. It would be of benefit to all involved in NSWCCC sport if the website were to become a central point for all NSWCCC information including draws, entry forms, event report, team list, student information and the like.

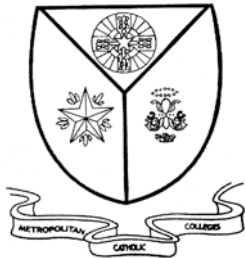

To support this it would be of benefit for the CGSSSA to develop its own website where staff, parents and students could go to access information about internal Association matters and also where the successes of Association teams and individuals can be communicated to the wider community. The CGSSSA has continued to encourage all sports staff members in the Association to visit the NSWCCC website and to direct their parents and student to the website.

The continued focus in 2006 on Insurance and Risk Management issues has led to a greater understanding of the need for all involved in sport to consider the safety implication of physical activity for participants, officials, staff and spectators. The work done in this area has and will in the future require some changes to the CGSSSA's administrative procedures, financial accounting, Constitution and By Laws.

CGSSSA schools have been very supportive and cooperative in moving forward to ensure safety at its events and when responsible for students at NSWCCC events. We continue to be grateful to the CSCC for their support and guidance in fostering 'best practice' at all levels of competition. The attendance of a school Principal at our meetings would assist the Association in ensuring that it continues to be well informed about legal and risk issues and complies with all relevant legislation.

Congratulations to the many staff and students who have been involved in NSWCCC sport in 2006.

## NSWCCC ANNUAL REPORT 2006

The continuing success of Southern Sydney Combined Catholic Colleges Sports Association was evident in 2006.

Our Association representative teams achieved outstanding results at NSWCCC championships. Affiliated schools also provided opportunities for individual representatives to trial in their respective sports.

Clancy College located at West Hoxton Park were welcomed into the SSSCC Association. In 2006 Clancy College commenced with Year 7 attending Swimming, Cross Country and Athletics Carnival. Matthew Turner, Clancy College Sports Coordinator, has been a positive addition to the SSSCC Association. His enthusiasm, willingness to assist and positive attitude has been appreciated. The Association is looking forward to the development and growth of Clancy College.

The success of SSSCC teams and individuals is a result of the thorough preparation and organisation of the respective convenors of each sport. To organise SSSCC trials and then participation at NSWCCC championships is a time consuming exercise. The sports coordinators of the ten affiliated schools are to be congratulated for their commitment to the SSSCC Association.

School Principals of each of the affiliated schools work as a committee to provide opportunities for their students to follow the pathways in school sport representation. The Chairman of this committee is Father Chris Ford of St John Bosco College Engadine. Father Chris Ford has been supportive of the Sports coordinators and SSSCC students. His leadership, wise counsel and encouragement creates an attitude of success. At the conclusion of 2006 Father Chris is leaving the Association. On behalf of all the Principals, staff and students of the SSSCC Association we thank you for your time, effort and commitment. Also, Martin Shipley, Sports Coordinator at De La Salle Cronulla, has been appointed as Curriculum Coordinator at Marist Brothers Pagewood. We thank Martin for all of his work in convening SSSCC Rugby League.

Congratulations to these 2005 NSWCCC Blues and Bar recipients: Frank Iorfina (Freeman), Alicia Kerr (Aquinas), Brooke Simpson (St. Patrick's College), Oliver Ient (St. Patrick's College), Kerry Simpson (St Patrick's College), Natalie Vaux (St. John Bosco) and Benjamin Schrelber (St. Patrick's College). 2006 recipients are Joel McTaggart (Good Samaritan College), Rian Wickens (St. Patrick's College) and Toneya Price (St. Patrick's College)

In conclusion I would like to congratulate the students of Southern Sydney who trial and represent our association with pride. Your efforts and outstanding sportsmanship is the cornerstone of the SSSCC.

Yours in Sport,

## NSWCCC ANNUAL REPORT 2006

Wagga Wagga Diocese has had another successful year of sporting activities and success through the Combined Catholic Colleges Sporting Association (CCC). Our year commenced with two Wagga Wagga Diocesan students being awarded a Sporting Blue. The two students were Kristopher Holman and Dane Keenes, both from Xavier High School Albury, and they received a Blue for Australian Rules Football.

The opportunities that our students' receive through the CCC pathway, is appreciated not only by our students, but from Principal's, teachers and parents. We are located a great distance from many of the selection carnivals but we always compete in a wide range of sporting activities, achieving great success.

Our Diocese is always, and, very willing to host CCC tournaments. We again hosted the Southern AFL trials, these were held in Leeton. Thanks must go to Travis Doyle (St. Francis Regional College) for his hard work in making this carnival a success. We also hosted the Southern Zone Basketball trials in Albury. Thanks to Dale Gleeson (Xavier High School) and his team for making this carnival a success.

Coordinating Secondary sport is not a role that can be done successfully by a single person. The Wagga Wagga Diocese covers a large area of Southern NSW and a huge thank you is extended to the Wagga Wagga Diocese Sports Coordinators Michelle Lumsden (Mater Dei Catholic College), Peter Hunt (Kildare Catholic College), Mark Sanson (Xavier Catholic College), Carl Norman (St. Francis College) Renae Savage and Sarah Rossington (Marion Catholic College) for their effort and dedication throughout the year. They are an integral part of our Diocesan Sport Association as they organise and assist me with various trials and competitions throughout the year. Without their support and enthusiasm my role within the Diocese would be very difficult.

We are also privileged to have the current Australian School Boys Rugby League coach in our Diocese, Simon Huntly (Kildare Catholic College). His experience with Rugby League has lifted the level of Rugby League in Secondary schools across our Diocese. He is currently in camp and about to travel throughout the United Kingdom with the squad and we wish him success.

Thank you to all our Principals and the Wagga Wagga Catholic Schools Office for your continued support it is very much appreciated. Thank you to Kym Skeritt, John Sparks, CCC executive, convenors and fellow Diocesan representatives for your hard work throughout 2006. We look forward to seeing you all in Wagga Wagga in 2007 for the Hockey Championships and NSW CCC Touch Championships.

## NSWCCC ANNUAL REPORT 2006

Schools from the Wollongong Diocese have enjoyed another great year of sporting activities through the Combined Catholic Colleges Sporting Association. The opportunities for our students to compete against other Dioceses and Associations from across NSW and the opportunity to access the All Schools arena has been greatly appreciated by students, parents and teachers of our school communities. Sport is such a valuable product in the life of our secondary students and we should never under estimate it's importance.

I would like to take this opportunity to acknowledge the work of the Catholic Sports Coordinating Committee, Diocesan/Association representatives and the individual Sports Conveners. Your efforts throughout the year have been outstanding and on behalf of the Wollongong Sports Council thank you for your contributions. To Kym Skerritt our Executive Officer for 2006, your work and unending support have been inspirational and certainly the driving force behind the professionalism of the NSW CCC Sports Association. I have appreciated your professionalism, good nature and willingness to support all aspects of secondary sport. Thankyou!

Wollongong had CCC Conveners in Anthony Kane (AFL), Kay Southall (Tennis) and Brett Moran coordinated the Southern Country CCC cricket trials. Their work in promoting sport across NSW was first-class and certainly provided opportunities for increased student involvement. Over 380 secondary students represented the diocese at CCC events with 55 students from Wollongong going on to represent in NSW CCC teams, 5 in NSW All School teams and 3 reaching national honours, a great advertisement for our pathways. Wollongong diocese hosted the CCC Volleyball selections, the CCC tennis championships and selections and the Open boys CCC cricket.

On a local level I would like to thank our Acting Director of Schools John Tubridy, Secondary Cluster head Netty Broekman and Head of Education Services, Michael King for their continued support for Diocesan Sport. All have been very supportive of sport and it's promotion to the Diocese. Our CEO website continued to develop with our sporting journal fully on line and downloadable. This year it featured all representative teams, results from major carnivals and links to the CCC, DET and School Sport Australia sites. You might like to pay us a visit at [www.ceo.woll.catholic.edu.au](http://www.ceo.woll.catholic.edu.au) and navigate your way through the sport section. Our sports council has formed some close links with Wollongong University and now have students assisting at our carnivals and acting as officials at NSW CCC events. This has been a very productive relationship and one we hope to develop in the future.

Finally to individual Sports Coordinators who are the cornerstone for all sporting activities, congratulations on an outstanding job. Your role is challenging, busy and often unrewarding at times, but again you have met the challenges put to you in fine style. I would particularly like to acknowledge Tony Kane (Edmund Rice) who is standing down after many years, Jodie Southall (Magdalene) who is also moving on and Murray Cleal (Holy Spirit) and Deb Preeo (St. Joseph's) who are exchange teaching next year. Thankyou to you all and good luck!

On November 24 this year our Sports Council staged the 10<sup>th</sup> Annual CDF Diocesan Sports Awards to recognise the outstanding achievements of both students and teachers from primary and secondary Schools. The evening was proudly sponsored by the Catholic Development Fund and attracted over 400 guests to St Mary Star of the Sea College. The evening was a fitting culmination to a busy sporting year and certainly a positive advertisement for the pathways and structures now available. Ultra Marathon runner Pat Farmer was our special guest speaker. The Vince Villa Trophy was awarded to Magdalene Catholic High as the Champion Secondary School across all sports.

Wollongong Diocese looks forward to our continued involvement in Combined Catholic Colleges Sport. We wish all involved in secondary school catholic sport the best and hope to see you in action again in 2007.

## 2006 ANNUAL REPORT - ATHLETICS

The 2006 CCC athletics was held on Friday 15<sup>th</sup> September at Sydney Olympic Athletic Centre, Homebush Bay. The day of the carnival was bright and sunny with little wind, allowing athletes to perform to the best of their abilities.

This year again, we used the 'Hytek Meetmanager' recording program that interfaces with the photofinish system which is linked to the scoreboard.

I would like to pass on my thanks to all those people looking after team selection who, worked to get the information to Kym in the required format to download into the program. This area needs greater attention from team managers in 2007 as many errors were evident in the team lists that made it very difficult and time consuming when entering teams into the 'Meetmanager' program.

The morning started officially with a meeting of the team managers, I thank those who handed in their entries in the format listed in the handbook, which allows us to identify the schools attended by the athletes.

ANSW supplied officials to assist in running the carnival, I thank them.

I would like to see each diocese encouraging teachers to undertake professional development in the area of officiating so that teachers could eventually take over some of the key positions as currently happens in the CHS system. (Contact with the ANSW office can be made to see how they can help facilitate officials' courses.)

The carnival again ran smoothly this year in relation to processing of results as we continued the procedure we initiated last year where each athlete is issued with a bib numbers to assist with identification. This assisted the photo finish area to operate more efficiently.

### Events for Athletes with a Disability

This year we again included 2 events for athletes with a disability – 100m and Long Jump. There were more competitors than last year, and most had their classification organised. Team managers need to send a copy of the completed entry form for each competitor with official classification details to carnival convenor *before* the carnival. Most athletes were classified T/F 20, I'm sure that there are other athletes with other classifications that may not be receiving the information, let's try to increase the opportunity for all our students.

I would encourage Diocesan and Association Representatives to ensure that the information in the journal is distributed to these students allowing them time to have their classification issues organised. At this stage there is no ceiling on the number of competitors a team may enter, however they will need to be at least Provisionally Classified (contact the DSport Office)

**As decided last year there were Male and Female events for AWD competitors, rather than a mixed event.**  
This worked very well.

### Thanks:-

- My heartfelt thanks goes to my committee- Thea Parle for all her work with the preparation for the presentations and for working in this area on the day; Liz Gale, Craig Beacroft and Kristy Reed for their energetic sorting of problems on the field of play during the carnival.
- Helen Wood for organising our efficient results personnel.
- It would be remiss of me not to mention Kym for her work entering all the athletes into *Meetmanager* and all her behind-the-scenes work.
- The staff and officials of ANSW who work hard to ensure that our students have the best and fairest conditions to achieve to the best of their abilities,
- The staff at SOPAC who looked after us very well again this year.
- Sports Medicine Australia, (NSW branch) who appointed our sports trainer.
- A special thanks to the students from St Patrick's College, Sutherland and OLMC, Parramatta who assisted us throughout the day in a variety of vital positions.

I would like to encourage more students to enter the *NSW Allschools* event, I would encourage all teachers to direct their highly placed athletes to the Athletics NSW website for the entry details for this carnival as it is individual entry. Also there were a number of outstanding results at the Australian All Schools Championships in December, it is heartening to see the athletes from our system doing well, however as entries are done by the individual, I am sure that there are many other students who should take the step of competing at this level.

**The NSW All Schools carnival is *generally* held during the Sept/Oct school holidays**

## 2006 ANNUAL REPORT – AUSTRALIAN FOOTBALL

The selection trials were held Tuesday March 28 in Sutherland. There were just under 60 students who took part in the trials and a final team of 22 and 5 emergencies were selected. Only one of the emergencies was brought into the starting 22 as a result of an injury. From the final 22 students attending the NSW CHS Championships 15 students were from CCC schools and 7 from CIS schools.

The quality of students attending the trials was again very high and again the CCC and CIS schools complemented each other extremely well in order to produce a squad that was extremely competitive at the NSW CHS Championships.

The Championships were held this year at Barooga (Riverina) and Cobram (Victoria) from the 6<sup>th</sup> June to the 8<sup>th</sup> June. It was hosted by the Riverina School Sports Association and the NSW Department of Education and Training School Sport Unit.

Congratulations to the organizing committee who put on a very good carnival and especially to Andrew Oddie (Finley High School) the Carnival Manager and Shaun Brooker the CHS AFL Convener.

The Championships were a success for the teams representing CCC/CIS. The CCC/CIS North team went through their Pool 2<sup>nd</sup> to Murray and finally completed the finals in 3<sup>rd</sup> place. All players selected were very good members of the team structure. They all shared the workload on the field, demonstrated courtesy, respect, sportsmanship and excellent behaviour at all times during the NSW CHS State Carnival. Their contribution to the team was always positive and in doing so was able to play football at the highest level.

There is still a problem with many sports coordinators in both CCC and CIS schools not passing on information with respect to selection trials, dates and venues. This was evident with a decrease by around 25% of the 2005 numbers who attended the selection trials. I intend addressing this problem in 2007 by making correspondence with junior AFL associations, that operate on weekends, so that information is brought to their attention early and the students can then seek information from their sports coordinators. This will benefit CCC, CIS and government schools.

Terry Caldwell (Team Manager) representing CIS from Walla Walla was once again terrific to work with. All aspects of team managing were professionally attended to and the coordinating of the team over the Carnival was done to perfection. All parents were positive and were all present during the carnival. There were no major injuries, or incidents, to report, and all students arrived and departed all venues safely and under the guidance of parents and relatives.

Congratulations to Michael Johnston (Marian College Kenthurst), Josh Duncan (Oakhill College), David Clinch (Coverdale Christian College) and Edward Strudwick (reserve, SCEGGS Redlands) in gaining selection for the NSW All Schools team.

We look forward to hosting the 2007 Carnival in Wollongong.

## 2006 ANNUAL REPORT – BASEBALL

Great weather, some great individual performances in matches and a first time Diocesan Champion! The NSWCCC Baseball Championships were conducted on Wednesday 8 March at Blacktown Olympic Park. The carnival had six teams representing Broken Bay, Metropolitan Catholic Colleges, Metropolitan Catholic Schools, Parramatta, Southern Sydney and Wollongong. All players represented themselves, their parents and schools with distinction. The umpires commented on the tremendous sportsmanship on display and the spirit in which the games were played. The coaches and managers of the teams provided all players with an opportunity to display their skills and talents and we certainly have a pool of talented players. The six teams were all competitive and the player talent was mixed throughout all teams.

The seven games conducted on the day were all close encounters with five teams winning games on the day which demonstrates the closeness of the competition. The make-up of the final was not decided until the very last innings of the preliminary rounds in which Broken Bay scored a run to draw level with MCC, enabling Broken Bay to progress to the final against Southern Sydney on the for/against rule. The Final was a battle at the end of a hot and humid day, with the players on both sides giving their best until the final out. Broken Bay were playing in their 8th final in 10 years and Southern Sydney their first. With pitching reserves at a premium after a long day, both teams combined with relief pitchers doing the bulk of the work. Some interesting positional moves by the Broken Bay Coach and some outstanding hitting from Southern Sydney (including two doubles and a rare triple) proved to be the difference between the teams.

In the end Southern Sydney were the Championship winning team, their first ever Baseball title, and this team deserved the title after a fine display of offensive batting and defensive fielding throughout the entire day. Well Done to the coach Mr Michael Turner and Manager Mr Michael Beaton. The selected NSW CCC Baseball squad showed that the two finalists were worthy of their place, with the two Diocese combining for seven of the fifteen players selected. The youth in the 2006 squad sets up the NSW CCC for the next couple of years. This team has a very promising playing roster, and on paper, look the goods at being the first team for CCC able to defeat CHS. There is a high level of optimism amongst the coaching staff heading into this All Schools fixture. The coaching staff recognise the ability in this team and believe that the NSW CCC will be well represented in the NSW team for the School Sport Australia competition in Adelaide in May. Results from the 2006 Inter-Diocesan Championships: Rd 1: Broken Bay 10 def Parramatta 2 MCS 5 drew Southern Sydney 5 Rd 2: MCC 5 def Parramatta 1 Wollongong 1 def MCS 0 Rd 3: Broken Bay 3 drew MCC 3 Southern Sydney 8 def Wollongong 2 Final: Southern Sydney 5 def Broken Bay 1

## All Schools Carnival Report

High optimism and the thoughts that this would be “our year” was the focus of the Coaching staff for the annual All Schools Tri-Series against the Combined High Schools (CHS) and the Combined Independent Schools (CIS). Following the tremendous Diocesan Championships held at Blacktown Olympic Park in March, a highly talented NSW CCC squad assembled ready to “take the Diamond” and bring home “the hardware” for the first time. The NSWCCC team played in the All-Schools carnival against Combined High Schools and Combined Independent Schools on the 12 April at Blacktown Olympic Park. The standard of baseball on display at this carnival is of the highest standard with most of the players having represented their State in AAA and AA levels. The NSWCCC team has two players who have represented Australia at the AA level Tim Atherton and Brad Samson.

It was a pleasure to be able to work with a team of fine young men, who were led by a group of senior players. The team were runners-up on the day after defeating a strong CIS in the first game in a convincing manner 18-2. A particular highlight of the 4th inning was an In The Park Home Run (ITPHR) by David Manuelle! Team 1 2 3 4 5 6 7 8 9 Runs Hits Errors NSW CIS 0 1 1 0 0 0 0 - - 2 4 4 NSW CCC 0 1 1 5 0 2 9 - - 18 14 1 NSW CCC: Hits: Manuelle 4 (HR), Bowmaker 3, Wilkins 2, Symons 2, Anelucci, Lewis, Kamionka However, the CHS team proved to be too strong in the second game after a hard fought opening the CCC side were defeated 15-3. It was certainly apt that this game was played in Holy week, as the NSW CCC certainly had a case of “Holey Glove” whilst in the field, committing eight errors. Team 1 2 3 4 5 6 7 8 9 Runs Hits Errors NSW CCC 0 0 3 0 0 0 0 - - 3 5 8 NSW CHS 2 3 1 9 0 0 - - - 15 10 2 NSW CCC: Hits: Angelucci, Lewis, Atherton, Webster, Krajancic

The Coaching staff for the NSW CCC side were extremely proud of our senior players Angelucci, Lewis, Manuelle, Bowmaker and Missios for the manner in which they led the team. These players are all fine players who displayed their capabilities with the bat on the day. Congratulations on your leadership and the way you fostered the development of the younger players. The team had three members of squad selected in the NSW All-Schools team Tim Atherton, David Manuelle and Alessio Angelucci, unfortunately Alessio had to withdraw from the selection process, as he was due to play in the USA when the team was scheduled to play. Tim Atherton was also forced to withdraw the week leading up to the tournament in Adelaide. One of the aspects of the game of baseball is that a game can be dominated by a pitcher or especially in selection trials a bullpen of pitchers. CHS has dominated this aspect over the last couple of years. Tim Atherton has been the only NSWCCC pitcher to be selected at the All-Schools level in the previous three years. Eleven players from this year's squad are eligible to trial again next year. Of these 11 players, 8 are pitchers, so it is hoped that as these players mature we can compete from the mound next year.

The NSW CCC carnival was conducted on the 8 February at Blacktown Olympic Park and was again extremely well organised and conducted by Scott Murray from the Broken Bay diocese, his skills were recognised by the NSW All-Schools committee and Scott has been asked to conduct the NSW All-Schools carnival next year. The NSWCCC carnival was won for the first time by the Diocese of Southern Sydney. The team was coached by Michael Turner and Michael Beaton from DLS Caringbah. Congratulations and well done to the players and coaches from Southern Sydney. The NSWCCC team was prepared by Peter Webster (coach), Michael Turner (assistant coach) and Scott Murray (manager). Brendan Wallace was the assistant coach for the All-Schools team. I would like to acknowledge the wonderful contribution that each of these men have contributed to Baseball within Catholic Schools and especially the rapport that they have developed with the players. NSWCCC Baseball has the potential to be very competitive next year. School Sport Australia: The SSA were held in Adelaide, South Australia. David Manuelle was the sole representative from the Catholic sector, however, “flew the flag” for the Combined Catholic Colleges with distinction. After initially only being considered for a Shadow role within the NSW team, David actually started and competed in seven of the eight games played at the SSA Championships. David had a .217 Batting average, has a Base stealing percentage of 1.000 (5 from 5) and also lead in runs scored for the NSW team. David had the distinction of starting in the Final vs Western Australia, which NSW went on to win 5-4.

### CCC Carnival Report

The CCC Selection trials were held at Gosford Stadium on 27th May, 2006. Twenty one girls attended the trial which was a good size group to work with given they were all at a high standard. The depth of talent was very strong with many of the girls having represented NSW Country / Metro over the past few years, and three girls in the NSW U20s team this year. Many of the girls had previously attended Junior &/or Opens trials over the past few years.

This year several girls made the commitment to CCC Trials at the expense of missing games with their local associations, while others asked for exemptions to allow them to play for theirs. We need to come to a consensus about players asking for exemptions from the trials. I think we will be creating a minefield if we begin allowing exemptions for girls with commitments to ABA/ Youth League/ SEABL/ State League.

I believe that if Yr 10 girls are talented players they should be encouraged to attend the Opens trial. Two players in the past few years have been selected from Yr 10. Obviously year 10 players with talent need to be targeted at the regional carnivals and invited to attend these open trials. We had two sessions: the first from 8.45am – 11.30am, then a lunch break for one hour. The second session ran from 12.30 – 2.00pm. The girls and boys were separated this year, with the boys having to go to a nearby school venue to train. This was disappointing as it is better to have all coaching staff at the one venue, providing time to discuss various issues relevant to CCC Basketball. It also allows some healthy social interaction between boys and girls in between training sessions.

We would like to thank all parents for attending and making the effort in getting their daughters to the trials and also Gosford stadium staff for hosting us.

## **NSW All Schools Report**

Emily Richards withdrew with injury just three days before the Challenge. We went ahead with 9 players, after the reserve player was unable to attend the final weekend training session before the challenge games.

CCC defeated CIS in the first game, winning by 35 points.

CCC defeated CHS by 11 points in the end after giving away a strong lead they held through the second and third quarters.

Eric did an excellent job in giving fair court time to all the players to give them a good opportunity to be seen by selectors.

Five CCC girls were selected for the NSW All Schools team, while Eric Kivi was appointed Head Coach. Players selected were: Lauren Sparks, Fiona Sparks, Lauren Angel, Caitlin Colliver and Madeline Plunkett.

At The School Sport Australia Basketball Championships NSW won their way through to the final against Queensland. After a tough week of basketball NSW was feeling the stress of several of their players suffering Influenza and Stomach Viruses. This placed extra pressure on other players who were forced to play big minutes in consecutive games during the tournament.

In the final NSW fought gallantly but could not contain the Queenslanders who won the Championships.

Lauren Sparks Captained the NSW team and was named the Most Valuable Player for NSW. Lauren and Madeline Plunkett were also named in the Australian All Schools Basketball Merit team.

## 2006 ANNUAL REPORT – CRICKET – GIRLS

### All Schools Carnival Report

A team with eight new faces travelled to Bathurst for the Lords Taverner's competition in November. Their performance in that tournament augers well for the team's future. On day one CCC played CIS. An outstanding batting performance by Elise Perry put the pressure on CCC chasing over 200 runs. Angela Reakes bowled well for CCC taking two valuable wickets. In her first CCC Tournament, Year 8 batter Eliza Gawthorne scored 42 valuable runs against the CIS attack, supported well by Rachel Kent with 32. CIS were the eventual winners of this match.

Day two was the match against CHS 2. The team was primed and ready for this game from the outset. Batting first openers Ashleigh Corby and Angela Reakes set a cracking pace. Mathilda Carmichael, Alicia Newton and Cailyn Fountain proved they are stars of the future with solid batting performances. With 195 runs on the board, CCC put the pressure on the CHS batters early in their innings. Clare Crewdson was in great form taking 4 wickets ably supported by opener Jessica Toomey. Excellent fielding saw run outs feature amongst the dismissals. Jacklyn Vickery, Kira Churchland, Jessica Lloyd and Angela Reakes also contributed with the ball. CC won this game convincingly. Day three was the match against CHS 1 who had lost their first game in many years against the eventual tournament winners CIS, the day before.

Batting first, CCC achieved a good score due to an excellent batting performance from Ashleigh Corby whose innings lasted until the last few overs of the CCC inning. Rachel Kent, Clare Crewdson, Angela Reakes and Eliza Gawthorn also performed well. CCC bowlers ere no match for the CHS batters, though the game was not decided until the 39th over. Clare Crewson again performed well with the ball in her last CCC appearance. Jessica Toomey completed the series with another solid performance. Ashleigh Corby and Angela Reakes earned places in the Honour team for their consistent good play over the tournament. The team performed well over the tournament, beaten at times by inexperience. Their behaviour, attitude and enthusiasm was a credit to their schools and their families. The girls personified Catholic values in their demeanour in every game and the coaches and managers were very proud to be associated with them. The team management is appreciative of all the support offered by parents over the three days. The tournament was a very enjoyable experience for all concerned.

## 2006 ANNUAL REPORT – CROSS COUNTRY – CPS/CCC

The annual combined primary and secondary catholic cross country championships were held at Eastern Creek Raceway on Friday 16<sup>th</sup> June 2006 in excellent weather conditions.

### Thank Yous :

- Mher Balian - Student from Marist College at Eastwood for singing the National Anthem
- Helen Wood - SDS for her expertise in the Meet manager program
- David Regattieri - Secondary Convener, St Peter's, Tuggerah for sharing his years of experience
- Paul Cannon - Chief Course Marshal, St Peter's, Tuggerah for his excellent leadership and for coordinating the Course Officials and the 3 Course Managers:
  1. Tony Bye
  2. Liz Gale
  3. Craig Beacroft
- Student Officials from Marian Catholic College, Kenthurst and St Andrews College, Marayong for assisting
- Rod and Alex from Eastern Creek Raceway for ensuring all needs were catered for

### Improvements/initiatives implemented in 2006:

- SVMS located in front of grandstand
- Instructions/method for writing Athlete numbers on runners
- Events 1 and 2 were changed with events 3 and 4 to alleviate overlapping at finish line:

New Event No	Age Group	Gender	Distance	Old Event No.
1	17 years	Girls	4000m	3
2	17 years	Boys	6000m	4
3	18+ years	Girls	6000m	1
4	18+ years	Boys	8000m	2
5	8/9 years	Girls	2000m	5

- Athletes listed in events (not just listed per team/Diocese) in printed program ( as per Athletics and Swimming)
- Rules for primary and secondary separated

### Improvements identified for future cross country events:

- **Marshal area**
  - An extra Official needs to be located at the marshal area gate on track entrance to:
    - stop spectators from coming on the course (needs to wear a vest to look Official)
    - stop spectators and children trying to start to walk the course at 8.25am
  - Slightly change the cordon area after the walk of the course to assist the Marshalling area
  - Correct the Lismore CCC and Parramatta West Mackillop sign
  - Proforma/template for the marshal and starter (Event no. and totals in that race and start time)
- **Presentations**
  - Proforma/template sheet for children waiting for presentation of medals when there is a delay in getting the results.

- **Printed Program**
  - Seating arrangement to be included
  - Suggestions for improvement on the format?

#### Issues on the day:

- Primary – Broken Bay runner went 10m the wrong way (was winning the race and came 16<sup>th</sup>) Parent was going to write letter
- Secondary – Event 14, 16 years boys 6km race (some runners went the wrong way – track referee involved with making final decision on placings)
- Computer glitch for Wagga Wagga Secondary and Southern Sydney Secondary as they both had the same numbers for runners. Solution was to put a “W” after the Wagga Wagga Secondary number for the first race and then for the following races an additional 1 was put after the athlete number

#### For discussion

- Photo issue – parents coming on the track to take photos
- Meet manager has a limitation whereby it only allows for either schools and suburbs OR diocese / association
- Meet manager – DOB issue with entries
- Lance Smith – responsible for Meet Manager in 2007? In-servicing needed
- Duty of Care - 8/9 children being 1<sup>st</sup> timer competing as ECR (one child got lost for 15 minutes-parent very frantic) There were a few children returning to their area following presentations who were not sure where to go. Maybe we could ask students helping at presentations to escort them back to team area
- Lunches – are Student Officials entitled to lunch?
- Parking – Venue risk assessment, teachers are not trained to direct traffic in car parks
- If SWD implemented next year. We currently do not time keep but it will be required for SWD

#### Further information

- Tony Bye has all XC gear as it was David Regattieri’s final year
- Eastern Creek Raceway date for next year – Friday 15<sup>th</sup> June 2006 (date not confirmed with ECR until November)

#### Feedback from CPS meeting 18/8/2006

- Relieving person for check points/course marshals ie toilet break
- Signs on running track for intersections at 2, 3 and 4 km points
- Check point / Course officials to have clip board and pen to document any events/problems during any races
- Protest statement in the printed program recommended to state All protests must be lodged in writing to the Carnival Organiser from the Team Manager within 15 minutes from the official results being announced or displayed.
- Further investigate the car park issue ie teachers not been trained in directing traffic and high potential for accident
- Change order of races for the following events to stop confusion on the running course for the 6km race:

#### Secondary

13	10:45	16 Years Girls	4000m
14	10:55	16 Years Boys	6000m
15	11:10	15 Years Girls	4000m

### CCC Carnival Report

The 2006 NSWCCC Selection Carnival was held over a night and day session at Valentine Park, Glenwood in Sydney. Every second year the carnival is held in Sydney which is the most central venue for the country diocese. Once again, I would like to thank Soccer NSW for their sponsorship, for the use of the fields and lighting, without charge. The facilities at Valentine Park are fantastic and were a factor in the high standard of soccer witnessed at the carnival. This year we extended a special welcome to the Sydney Archdiocese Christian Brothers Sports Association (CBSA) who were participating in our carnival for the first time. After a total 28 matches involving 13 teams, Parramatta Diocese (PDSSSC) defeated MCS 1-0 in the final after extra time, and Wollongong defeated Lismore 2-0 to finish in 3rd place.

### **All Schools Carnival Report**

The CCC Boys state team performed strongly at the All School carnival in 2006. The team defeated CHS (2) 1-0; CIS 4-1 and drew 1-1 with CHS (1) to finish winners of the carnival. This was a fantastic effort when you consider the difficulties faced by the team in the lead up to the carnival with Coach Vince Colagiuri's late withdrawal from the team and the fact that several planned training sessions and trial matches had to be cancelled due to the wet weather. Congratulations to Dave Mamo, Michael Ronchetti; John Carnabucci and Guy Zangari for your efforts with preparing the team for the carnival.

### Events:

#### 1. CCC Selection Trial

On Tuesday 16<sup>th</sup> and Wednesday 17<sup>th</sup> May, Sydney hosted the NSWCCC Open Soccer Carnival at Valentine Park, Glenwood. Under clear skies and spring like weather, we were treated to a great spectacle of football. The format of playing on both Tuesday night and Wednesday was successful as it allowed the country teams to leave earlier if they were eliminated on the Wednesday. Diocese managers were informed if any girls were in contention for selection before they left. This worked well. The girls were put into two very competitive pools. The winners of each pool played in the final and runners up played off for third spot. Below are the results:

#### Playoff for championship:

Parramatta 0 v Broken Bay 0

Parramatta won 5-3 on penalties.

#### Playoff for 3<sup>rd</sup> position:

Wollongong 2 v Southern Sydney 0

Congratulations to all of the dioceses on a great representation and to the eventual girls' champions Parramatta Diocese.

The other objective of these championships was to choose the NSWCCC representative side to participate in the NSW All Schools tournament held at Glenwood on 19<sup>th</sup> -20<sup>th</sup> June. Congratulations to the following students for being selected in the NSWCCC Open Girls Soccer Squad, 2006.

## **2. All Schools Championships:**

On paper and reputation, we had assembled one of the strongest squads for a few years. We held two training sessions at Valentine Park, one of them being a game against Hills Sports High where the girls began gelling as a team in the second half (won 2-0). Attendance was good at both sessions.

The NSW All Schools tournament was held at Valentine Park on 19<sup>th</sup> -20<sup>th</sup> June. Following are the results.

Monday Night:           CCC    1       v       CHS2  4  
 Tuesday:                CCC    1       v       CHS1  3  
                               CCC    5       v       CIS    2

This year NSW had the privilege of having two representative squads for Australian All Schools based on their dominance in previous tournaments. This gave opportunity for more girls to be selected in these teams. These girls were:

Jessica Seaman (NSW 1s)                      Jenna Kingsley (NSW 2s)  
 Kelly Chang       (NSW 2s)                    Vanessa Vella    (NSW 2s)

The following players were selected as shadow:

Trudy Camilleri                               Jo-Anne Saliba  
 Tori Gikas                                      Carlie Ikonomou  
 Britt Simmons

At the School Sport Australia Championships both NSW teams did well with the NSW first squad winning the tournament. Jessica Seaman was named in the Australian Schools squad. They will participate in the Trans Tasman tournament against New Zealand early in 2007.

## **3. NSWCCC Girls Knockouts:**

This year we had 42 entries for the Opens Division and 30 entries for the Year 10 Division. Both competitions were again played at a very competitive level. Congratulations to the champion schools for this year. In the Year 10 Division final, St Johns College, Nowra defeated St Josephs College, Port Macquarie 1 to nil. In the Opens Division final Macarthy Catholic College, Emu Plains defeated John Paul College, Coffs Harbour 1 to nil as well.

## **4. Thank You:**

I would like to sincerely thank the following people for putting in a lot of time and effort to make the girls NSWCCC run successfully and give these girls an opportunity to participate through the representative pathway as well as enjoyable knockout tournaments:

Nicole Casey, Janeen McCrorie, Geoff Scerri and Mark De Vries have all made my job much easier and I encourage others to join the team to further develop girls football in NSWCCC in the following years.

Yours in Football  
 John Ossio

### CCC Carnival Report

The best Catholic schools' golfers in NSW converged on Camden Valley Golf Resort for the annual NSWCCC Stroke and Matchplay Championships on 13th and 14th of March. Benign conditions and a well presented course insured close scoring in most divisions.

The girls' event was an exception with newcomer Brianna Malcomson from Murwillumbah shooting par figures to street the ladies field by seven shots. 2005 state team members Jade Deane and Emma de Groot played consistently to fill second and third places respectively. The net winners were Sarah Davies(Leeton), Stephanie Solia(Varrowville) and Lisa Marinic(Woolwich). Youngster Carly Beck played very solidly off her ever diminishing handicap to grab 4th place overall and a coveted position in the NSWCCC team. The boys' event was much tighter with 30 players separated by only eight shots.

Danny An prevailed in a sudden death play-off from Dimi Papadatos and Daniel Bringolf. A play-off was also needed to separate 4 players vying for team selection. 2005 NSW Allschools representative Lincoln Tighe birdied the 4th hole to win. Luke Humphries, Matt Sear and Brendan Daly were the unlucky boys to miss out. Matt claimed the net title from Keiran Pratt(Warnervale) with local star Brendan Daly finishing 3rd. Tuesday dawned a much cooler day and the top 4 boys and girls went head to head in the matchplay semi finals in the morning. In the first girls semi Brianna Malcomson continued her good form to outgun Carly Beck 4 and 3. The other semi between last year's finalists Emma de Groot and Jade Deane was a close affair with Jade's excellent touch and short game proving the difference, chipping in to win 4 and 2.

The afternoon final once again saw Jade Deane's putting allowing her to wear down the long hitting Brianna Malcomson and win her first NSWCCC matchplay title 3 and 2. The boys' morning matches went to script but not without a few dramas. Surprise packet Daniel Bringolf looked to have Dimi Papadatos' measure all day until he dropped the last hole allowing Dimi to send the match into sudden death. After 4 extra holes Dimi birdied the 22nd to move into the afternoon final. The other semi between last years winner Danny(the machine) An and 2005 semi finalist Mitch Davis proved to be a very close encounter. Mitch took the lead and when he went two up with four holes to play an upset looked likely. Danny responded with three consecutive birdies and a place in the final was his.

Danny turned one up against Dimi and after claiming the next 4 holes the match was all but over.

Danny winning back to back matchplay titles and completed the double by taking the strokeplay as well in 2006. All the students who participated are to be congratulated for their outstanding ability and behaviour. Thanks must also go to Greg Kay and the team at the Camden Valley Resort- especially Paul Meani from the pro-shop

### **All Schools Carnival Report**

The NSW Allschools matchplay championships were decided at Windsor golf course early in may. Girls CCC representative Jade Deane played steady golf to force her way into the final with two comfortable victories. Rebecca Flood from CHS(North West) proved too strong in the final and Jade had to graciously settle for the runners up medal losing 5/4. Danny An also muscled his way into the final with clinical wins over his CHS counterparts. The final was a match-up between two plus 2 handicappers so it was no surprise to see them both well under the card by day's end. All square playing the last and Tim Hart (NW)was fortunate to see his blocked drive return to the fairway. Danny was only 70m from the tricky 18th green and seemed to have the upper hand. Tim hit the shot of the day holing out from 125m on the second bounce. Despite the shock Danny almost holed his approach as it slid agonisingly past the hole which would have seen the match continue down the 19th. Well done to our representatives for reaching the final. Wednesday and Thursdays stroke play was to decide the NSW Allschools champions for 2006. Emma de Groot(JPC Coffs Harbour) blitzed her rivals on day one with an outstanding round of 2 under par. A solid 78 the next day gave Emma victory by 3 shots. Emma also won the NSWGA Schoolgirls Championship.

The boys event was much closer with 3 players firing sub par 70's on the opening day. CCC star Dimi Papadatos and Hunter representative Brendan Smith followed up the next day with 3 under par 68's to finish the event at 4 under. A 3 hole play-off was needed to decide the winner and it was all but over in 2 holes as Dimi eagled the short par 5 tenth hole and followed it up with a 'chip in' birdie on the difficult par 3 11th. One hole to play and Dimi wisely stayed below the hole on the treacherous 18th green to clinch his first NSW Allschools and Schoolboys titles. Emma, Carly Beck, Brianna Malcomson and Jade Deane will join Dimi, Michael Bell, Alex Katholos and Danny An at Muswellbrook in June vying for positions in the NSW Allschools teams. Linc Tighe, Luke Humphries and John Barfoot have also been invited to attend. MUSWELLBROOK The final 3 rounds of the NSW Allschools trials involved 80 players competing for coveted places in the State team which travels to 'The Vines' in Perth in late August.

The cliché 'the cream rises to the top' certainly held true as many players went sub par in the perfect conditions at the Muswellbrook course. Michael Bell fired a final round 67 to cement his place in the team and was named as captain after he topped the list of qualifiers. Dimi Papadatos continued his good form to force his way into the team. Consistent play from Alex Katholos and Danny An created a first with all four CCC students being named in the All Schools team for 2006. Invitee Lincoln Tighe is the first reserve. Emma de Groot again showed why she is one of the premier female players in NSW shooting a final round 1 under par despite an attack by green ants mid round which forced some hasty 'rearrangements' of her clothes behind a tree. Emma easily made the AllSchools team. The consistent Jade Deane can be considered a little unlucky to miss out being named as first reserve for the girls' squad. Two local CCC students performed very well after receiving 'special' invitations from the carnival manager. Luke Gaegler and Jordana Keaton are two names to watch in future years both showing that they could match it with the state's best junior players.

Once again our CCC players conducted themselves both on and off the course in a manner that should make their families and schools very proud. Although an individual event players supported and encouraged each other throughout the week of golf. The Muswellbrook community should also 'take a bow' for the way they welcomed students from all over NSW. The organisation of the event was first class and friendship of the locals will never be forgotten by all the visiting players. Next year the trials move south to Eden Gardens and with 3 of the players listed above available perhaps another stellar year for CCC golf.

## **2006 ANNUAL REPORT – HOCKEY CHAMPIONSHIPS**

The NSWCCC Hockey Championships were conducted in Tamworth from the 17<sup>th</sup> - 19<sup>th</sup> May.

Over 60 teams representing 28 schools took part. There were 8 divisions contested including A and B Open and under 16 boy and girl divisions. Teams from Murwillumbah, Lismore, Grafton, Wollongong, Wagga Wagga, Dubbo, Orange, Bathurst, Lithgow, Coffs Harbour, Maitland, Port Macquarie, Moree, Armidale, Newcastle and Sydney schools were involved.

170 games were played over the 2 ½ days necessitating the use of 10 grass and 2 artificial turf fields. While drought conditions had prevailed in the months leading up to and also throughout the championships the fields were in relatively good condition leading to some fast and exciting hockey.

Finals played on Friday afternoon saw the following results.

The championships will be held next year in Wagga Wagga and Armidale in 2008.

### All Schools Carnival Report

The NSWCCC under 16 boy's hockey team participated in the Adrenaline Rush Youth Hockey Tournament in Canberra from 3rd – 7th July. While this tournament was available to the Open boy and girl teams in 2005 it was the first time that the under 16s had been invited. Unfortunately due to late withdrawals there were only 3 under 16 year teams, those being ACT, CCC and an Adrenaline Rush team. In order to provide a number of games these teams were drawn against the under 18 teams of ACT, CHS, CIS and CCC. The team lost to CIS (0 – 8), Adrenaline Rush (0 – 6), ACT 18's (1 – 5), CCC 18's (0 – 5) and CHS (0 -10) in their opening 5 games.

Despite the uneven results the players refused to give in with many boys seeing the positives in playing against more experienced and skilful opponents. This attitude provided the stimulus for a much improved performance against ACT 16s where the final score of 1 – 2 did not truly reflect the pattern of the match.

A rematch against ACT 16s for a position in the final against Adrenaline Rush saw CCC dominate and lead ACT for the majority of the game. A rare attacking opportunity against the run of play allowed ACT to score an equaliser 10 minutes from full time and progress to the final based on rankings. While all players competed with skill and determination goalkeeper Lindsay Heath and fullback Ben Urquhart were outstanding in their performances in every game and thoroughly deserved to be joint MVP for the team. The team comprised of Alex Albanese (La Salle-Bankstown), Andrew Connell (St. Augustine's-Brookvale), Nathan Cox(St. Joseph's-Port Macquarie), Sam Davis(Trinity-Lismore), Bernard Fittler(O'Connor-Armidale), David Flanagan(Trinity-Lismore), Lindsay Heath(St. Gregory's- Campbelltown), Michael McInerney(Xavier High-Albury), Tim Miller(St. John's-Dubbo), Daniel Sekulich(All Saints-Maitland), Lewis Shepherd(Trinity-Goulburn), Josh Thorne(Trinity-Goulburn) and Ben Urquhart(St. Peter's-Maitland). The team was managed very efficiently by David Harmon from Coffs Harbour. Ian McKenzie Coach – McCarthy Catholic College - Tamworth

### CCC Carnival Report

In a week of mixed results, the team won three matches and lost three matches, to finish the preliminary competition in 4th position overall. The results were as follows: vs CIS 2-3 Scorers: Grant and Anable vs ACT Schoolboys 7-0 Scorers: Bush 2, Grant 2, Priddis 2 & Beroukas vs CCC U16's 5-0 Scorers: Cleary 2, Priddis, Anable and Grant vs CHS 1-5 Scorers: Grant vs Adrenaline Rush 1-0 Scorers: Anable vs ACT Under 18's 3-5 Scorers: Priddis 2 and Anable In the minor semi final, CCC again came up against CIS and despite dominating for much of the game, went down 2-3 with Tom Beroukas finishing the carnival on a high note by scoring both CCC goals.

This game actually finished early due to a nasty head wound suffered by Caleb Dobos which eventually saw him return to team accommodation a little bruised, battered and sporting 12 stitches. At the conclusion of the carnival and Open Boys Merit team was selected and two boys from CCC were selected in this team - goalkeeper Todd Seymour and striker Will Grant. Both boys fully deserved this honour but their selection reflected the efforts of the other players throughout the carnival. All players brought credit to themselves as players, as representatives of CCC, their families and schools. In conclusion, I would like to thank the Boys Hockey Convener and Under 16's coach, Ian McKenzie for his help and support, the parents of the players, many of whom took time off to go to Canberra to support the team members.

In particular, a huge thank you to Dave and Robyn Harmon, from Coffs Harbour, provided invaluable assistance with transport, laundry and during matches. Finally to Kym Skerritt, CEO of NSWCCC, thank you for your support and assistance over the years of my involvement with NSWCCC Boys Hockey.

## 2006 ANNUAL REPORT – RUGBY LEAGUE

2006 saw some major changes take place with the composition of the Executive. After seven years at the helm, Mr Phil Tobin stood down as President. During his tenure, CCC was victorious at two 15 years championships and three 18 years championships, not to mention the behind scenes work that he oversaw with regards to constitutional reform, accountability and transparency of the organisation. Prior to his appointment as President in 1999, Phil was Association Treasurer and has been a member of the ASSRL Council for ten years. His involvement with the ASSRL has been recognized with his awarding of Life Membership of the Council this year. The NSWCCC Rugby League executive would like to thank Phil for all of his hard work over the years and congratulate him on his award. Not only did the President move on, but a new position on the Executive was created, that of Purchasing and Publicity Officer. The Executive for 2006 was; President – Simon Huntley (Kildare Catholic College, Wagga Wagga), Secretary – Stephen Hooper (Red Bend Catholic College, Forbes), Treasurer – Santo Passarello (Patrician Brothers, Blacktown), Vice President: Country – Brian Battese (St. John's College, Woodlawn), Vice President: City – Craig Culnane (St.Dominic's College Kingswood), Purchasing and Publicity- James Clancy (De La Salle College, Revesby), MCC – Frank Azar (Marist College, Kogarah), MCS – Lyneene Orsini (Terra Sancta College, Quakers Hill), CBSA – James Clancy (De La Salle College, Revesby), Northern Country- Mark Falkenmire (McCarthy Catholic College, Tamworth), Southern Country – Stephen Hooper (Red Bend Catholic College, Forbes, SICC – David Credaro (Gilroy College, Castle Hill). One of James' first jobs, apart from taking over the mammoth gear workload from Phil was to set up our website through Leaguenet. This has been an important tool for our organisation in terms of communicating information to stakeholders.

### Selection Trials – May 19-20

The State selection trials were this year conducted at Victoria Park, Dubbo. Once again this reinforced our organisations intent to conduct our trials in country areas once every three or four years as a means of promoting the game to outlying areas. These trials were a resounding success due to the work of carnival convener, Mr Steve Hooper, the CCC executive, Dubbo City Council, Dubbo RSL Club, Group 11 Referees Association and CRL Referees Development. This group ensured that the venues and carnival program were in place. The rest was then left to the players to perform. Perform they did, as most locals would testify that it was some of the most skilful and entertaining Rugby League ever witnessed on this famous ground. Congratulations to the players on their efforts and a big thanks to the association coaches and management staff for the preparation that was put in and the manner in which the games were played and the players conducted themselves. Players from 70 schools in our association and staff from 28 schools indicates the work of teachers and association delegates in terms of providing pathways for our talent players to compete at this level.

### National Championships

At the National Championships we once again had a very successful year. Our 15 Years team were undefeated champions, gaining selection for six players in the Merit Team. Congratulations to Matthew Wright (Patrician Brothers Blacktown), Albert Kelly (St. Paul's Kempsey), Daniel Mahoney (Terra Sancta Schofields), Jaydn Dallalana (Holy Spirit Bellambi), Aaron Woods (Holy Cross Ryde) and Jarrod Thompson (St.Gregory's Campbelltown) on their selection. A big thanks and congratulation to our Coaching and Management staff of Coach: Mark Morrison (St. Paul's Kempsey), Manager: John McKnight (Clare Catholic College Hasell Grove), Trainer: James Clancy (De La Salle Revesby), Tour Manager: Phil Tobin (All Saints Maitland) and Selector: Mark Falkenmire (McCarthy Catholic College, Tamworth), for their time and effort in preparing and ensuring that the team were able to compete to the best of their ability.

Our 18 years team were runners-up in the championships at Port Macquarie. Congratulations to Queensland on their victory, a most memorable finals match against a high quality opposition. Eight players were originally selected in the ASSRL team to tour England and France in November/December- Liam Foran (Marist North Shore), Chris Lawrence (St.Gregory's Campbelltown), Joseph Paulo (Patrician Brothers Blacktown), Mitchell Pearce (Marist North Shore), Timothy Robinson (Patrician Brothers Blacktown), Ratu Peni Tagive (St.Gregory's College Campbelltown), Joel Thompson (Red Bend College, Forbes) and Aiden Tolman (St. Paul's Kempsey). After a withdrawal, William Mataka (St.Gregory's Campbelltown) was an addition to the squad. Two members of the Management Staff were also selected from our organization – the being Simon Huntley (Kildare College Wagga Wagga): Coach and Craig Brennan (Parramatta Marist): Trainer. Congratulations to all members on their selection. Once again a big thank you to the Management staff of the 18 Years team on their performance and conduct at Port Macquarie - Nal Wijesekera: Coach (La Salle College Bankstown), Michael Lewis: Manager (La Salle College Bankstown), Barry Walsh: Tour Manager (St.Dominic's Kingswood), James Sullivan: Trainer (Parramatta Marist) and Steve Hooper: Selector (Red Bend Catholic College, Forbes)

## **Acknowledgements**

The development and promotion of Rugby League among Catholic Schools and Colleges cannot be continued without the efforts and support of Principal's, Sports Co-ordinators, Teachers, and Parents at all levels. To them, we are greatly indebted for their voluntary time.

Again the New South Wales Rugby League has provided much needed financial and administrative support to our organization. Thank you greatly to Martin Meredith, Steve Hewson, and to John Coates at the Australian Rugby League for their help.

I would also like to thank Clive Nettleton (Canterbury International – Australia) for the wonderful job and product that he provides with our gear at State and National level. Finally to the NRL clubs who donated prizes for player awards at the State Trials and to the NSWRL and CRL Referees Associations for their continued support

## 2006 ANNUAL REPORT – RUGBY UNION

### All Schools Carnival Report

CCC Rugby Union 2006 proved to be a very successful year. Our call for extra fixtures and stronger opposition was heeded by NSWSRU with the Under Sixteens being matched against NSW Country and the Opens playing an extra trial match against ISA 2nds. Despite 2006 being a year of drought, the weather played havoc with our NSW CCC Trials. The two-day trial/championship at Eastwood's TG Milner Field had to be postponed due to wet weather and we held the trials in a reduced format the following week.

Our thanks go to the Eastwood ground staff who allowed us to play the following week, even though the grounds were still very soft. Thanks also go to the various dioceses/organisations who were very patient and flexible in enabling us to reschedule the trials. Following the trials, two very strong squads were selected. The Opens were coached by Steve Mitchell and Nick Lah and assisted by Peter Hill, Marist College Parramatta and the Under 16s were coached by Andy Culnane and Mick Rooley.

On behalf of all the players and CCC staff, I would like to thank the coaches for their commitment to the cause and for their tremendous contribution to a very successful season. Both squads were selected with the assistance of NSW Rugby Australian Rugby Union Development staff. Their input was invaluable to us, not only in terms of the expertise they brought to the selection process but also because their presence enabled us to guarantee that all selections were made objectively. Once the squads had been selected, they spent three days at the NSW Academy of Sport in a live-in coaching clinic in preparation for the NSW All-Schools Trials.

The Opens began their campaign with a hard fought win over ISA 2nds. This was followed, unfortunately, with a heavy loss to an exceptionally strong CHS 2nds side. The final game resulted in a comfortable victory over AISES. Not surprisingly, the NSW side was dominated by CHS, GPS and CAS players and CCC did not gain any selections this year. The boys however were better for the experience and several of them did catch the eye of selectors in what proved to be an exceptionally strong year for NSW Opens rugby. It was a different story for the Under 16s who had six players selected for the NSW All Schools side, with several others narrowly missing out on the honours. This team played NSW Country in their trial game and came away with a resounding 56-14 win. They were certainly the surprise package of the tournament and the future looks very bright for 2007/8. Thank you to all Diocesan/Organisation coaches, managers and conveners who did such a great job in preparing the players and getting them to and from the venues on time.

Thanks also to the CSSA/CCC staff who provided much guidance and support throughout the year – Kym Skerritt in particular. Finally, thanks must go to the NSW Schools Rugby and NSW Rugby for their excellent organisation and ongoing support for CCC Rugby. Particular mention should also be made of the staff of Knox Grammar, in particular Mr Chuck Ardron, who did a wonderful job in hosting the NSW Trials.

### CCC Carnival Report

This year's selection trials were held at Manly. The boys teams included Parramatta, Wollongong, South Sydney, MCS team. We still need the schools to encourage their boys to participate in this carnival. However the boys that were at the carnival are a credit to their schools and colleges. We received great support from the Manly Softball Association, canteen staff, selectors Judy Nash, Chris Nash, Samantha Fallick, Paul Manvell, Rick Moore, Ron Delaney, the umpiring staff. The day end with the boys being presented with their caps and the team being announced.

### All Schools Carnival Report

The team played in September at the Blacktown Olympic complex. The NSWCCC team played against NSWCHS team, ACT Combined Colleges team. The boys played for 2 days in a round robin competition. At the opening ceremony the teams were presented with a gift from the other teams. Some of these results are as followed CCC won 9-1 ACT we drew with CHS 4-4 then we lost 11-1 against the ACT in the second round and CHS 6-4 .

As there is no other team for these boys to be chosen for all boys played to the best of there ability and the most outstanding player was our captain Shaun Bostock. The most consistent player was Josh Manvell. We would also like to thank all our young players for stepping up to the plate against a very strong line up of older boys in the other teams. We would like to wish all of our senior boys the best of luck in the future in there chosen careers.

## 2006 ANNUAL REPORT – SWIMMING

The 2006 CCC Swimming Championships were held on Friday 31<sup>st</sup> of March at the Sydney Aquatic Centre. This was the first time that we had implemented the revised selection criteria for the carnival and I was excited to see what improvements this would make to the performances.

Very strong teams had been entered from all Diocese', as the times that were swum at their carnivals were the basis for a seeded carnival at this level. With each Diocese allowed to submit their fastest competitor in every event and their two fastest in the 50 freestyle, the remaining lanes were filled with the next fastest times from any Diocese. This did allow a full complement of swimmers in extremely competitive heats.

The carnival ran very smoothly thanks to the many helpers on the day and the cooperation of the athletes. It is only with this support that these carnivals can be as enjoyable as they are. In particular, I would like to thank Kym Skerritt, Helen Wood and team, plus all of the Diocesan representatives for their assistance before, during and after the event in compiling their teams and assisting in the coordination of the CCC team for All Schools.

The standard of competition was very high and there were a number of significant performances. I would like to commend all of the athletes who competed on their individual achievements and the good spirit in which they competed. I would especially like to mention the performances of the following swimmers who not only excelled at this carnival but also continued this at the All Schools Carnival. Their performances are as follows:

### CCC Carnival Report

This year 20 girls and 24 boys arrived in Wollongong to trial for the NSWCCC team. Two round robins were played - the first in the morning reduced the number of competitors to 16 boys and 16 girls and this allowed the round robin pools to be redrawn to 4 pools each with the winner and runner up from each pool making the team. The quality of play and sportmanship was very high and in the afternoon especially some very close matches resulted. All the students who were picked in the original eight accepted the offer to be members of the team and to compete at the NSW All Schools event in April.

## **All Schools Carnival Report**

This carnival was held in Wollongong On Tuesday and Wednesday 4th and 5th April. The weather was excellent. For the 1st time since NSWCCC has been involved in this event in its own right we won the boys All Schools Trophy. We had previously won the girls in 2002, but in the boys we have always been behind CHS and CIS. This obviously supports the statement made earlier that even though the numbers were down at our trials the quality was outstanding. Not only did we win but the whole team of 8 boys made it to the play off round for the All Schools Team. This was a first for any sector.

Our girls performed well with 4 girls making it to the playoffs. In the All Schools team we have 4 of the 8 boys and 2 girls and another of our boys Daniel McLaurin is 1st reserve and could make the team as the All Schools event is in Rockhampton this year in late May. To cap off 2 great days James McKee was selected to captain the boys All Schools team. During the 2 day carnival James showed excellent sportmanship which was commented on by other parents and teachers and the manager of the team had no hesitation in selecting James. He is to be congratulated on this honour which is also a first for NSWCCC. We wish our 6 students all the best in the Australian All Schools Event.

### CCC Carnival Report

In the early rounds it looked as though it was going to be a show down between Lismore and Wagga Wagga, however with the pool finishing places determining the semi finals these two teams met each other in the semi's. It was Lismore defeating Wagga Wagga in a tight game 3-2. In the other semi final MCS accounted for Broken Bay 4-2. The final was a game of 2 halves. Lismore led 3-0 at half time and then MCS came out fired up and put 3 quick touch downs to lock up the score at 3-3. The deadlock was broken by a freakish pass that saw player of the tournament Beau Montgomery score for Lismore to take out the boys opens. Well done boys.

The two standout teams on the day in this division were MCS and Parramatta. MCS defeated CBSA 3-0 in their semi final whilst Parramatta defeated Maitland 4-1. Both teams seemed to be confident going into the final with easy wins in their semi finals. However it was the team of MCS that handled the pressure and ended up winning the final easily 8-4. Player of the tournament was Matthew Moylan from the strong MCS diocese. Congratulations and well done

## **All Schools Carnival Report**

The 2006 All Schools Tournament held at Narrabeen was an outstanding success for NSW CCC. The boys won the final 4-1 for the third year in a row and had half their team named in the NSW All Schools team to compete in Perth in October. This was a great result as the boys normal training was interrupted by poor weather leading up to the tournament. Congratulations to the boys and to Craig Beacroft (Coach) and Luke McKenzie (Manager) for their great efforts with this side. NSW All Schools report This year both the boys and girls were victorious at the School Sport Australia Touch Championships in Perth.

The boys were undefeated and won their final against Queensland 5-2 after Queensland scored the first try. Matthew Moylan was awarded player of the final and Nicholas Good received the Coaches Award. The win made it back to back titles for the boys. The girls lost a tight round match to Queensland but were able turn it around in the final with a 2-1 win in a drop off. The match looked like heading to a nil all draw before Qld scored with 5 minutes remaining. The girls were able to hit back in the dying minutes to force the game into a drop off. They were denied once in the drop off but were able to score the clincher with both sides down to three.

### CCC Carnival Report

Last years defending champion Maitland cruised through to the semi finals along with once again the strong Parramatta Diocese. Maitland defeated a gallant Lismore team 5-4 in a tough semi final and it was Parramatta that defeated Broken Bay 4-1. This put Parramatta Diocese in its third final for the day and they were hoping that they could produce a more positive result than the junior teams. However it was going to be tougher than they thought against the defending champions.

The lead changed several times in this game and once again it went to the Maitland girls. Congratulations on back to back wins. Also to Hayley Henderson from Parramatta who was named player of the tournament.

In what was a very close final with the lead changing on no more than 4 occasions it was the eventual winners CGSSSA that broke the 3 all deadlock to win the final 4-3. After strong performances in the pool games the girls quickly shot to the lead by establishing a 2-0 lead in the final. However the CHS girls put there heads down and played some great touch to lead 4-2. A late try to our girls saw the final score finish at 4-3 in a closely contested final. Congratulations to the 6 girls from our side that made the NSW All Schools team and good luck in Perth in October.

Also thank you and congratulations to Stacey Walsh (Coach) and Kate Felstead (Manager) for their tireless work with this team. ### CCC Carnival Report

The number of entries was again very pleasing and schools really are supporting this event by providing so many athletes in such a challenging and individual sport. I must recognise school Sport Coordinators for their contribution to this by promoting and providing a pathway to their students.

Some of the more outstanding results included the continued success of Jack Hickey backing up from his 2nd place in last years Nationals to again win the Junior Male event. In the same division, Ethan Kimmince improved to place 2nd and qualify for Nationals. Jacinta Aitkin moved up and age group and still went on to take out 1st place. Rhyc Williams improved on his 3rd place last year to win it this year. In the senior ranks, Jessica Simpson maintained her dominance to win the event for the second year in a row. While many of these athletes have continued to improve, it is the those athletes who simply attempt to participate that makes this event such a success.

Especially the "first timers" to the event who compete as an individual or as part of a team I applaud and encourage to return in 2007.

Thanks to all the staff who represented NSWCCC as officials and especially, the students from St. Dominic's College, Kingswood who also officiated and worked like a machine to ensure the course was set up and then packed up in record time. Your efforts simply ensured the event was a great success. St. Mary's College of Gunnedah must be commended not only on the number of competitors they sent, but of their squad, they were by far the most successful school in terms of results - individual and team events.

### **All Schools Carnival Report**

With the NSW CCC Carnival occurring as integral part of the NSW All Schools Triathlon Championships, this event again proved to be very successful. Entries from the Catholic sector are above those from the other two school sectors, which is a fantastic achievement. In all divisions of the All Schools Championships, Catholic schools proved competitive, gaining at least three of the top ten places in all age groups and divisions.

This success saw seven athletes progress to the School Sport Australia Championships representing NSW. At this event, which was held in Victoria, CCC athletes performed admirably. Outstanding performances included: Jack Hickey taking out 1st place in the Individual Junior Boys (one better than 2005), Josh McHugh placed 2nd in the Senior Boys Individual Championship, Jacinta Aitkin placed a credible 5th in the Individual Intermediate Girls and also in the Intermediate division, Rhyc Williams placed 5th in the Boys event.

Excellent day. This year was bigger and better than last year. With 6/7 teams in each age group for the girls provided the opportunity for a round robin competition to occur as a basis for the selection trial. A high standard of play was demonstrated by all who participated and an enjoyable day was had by all.

### All Schools Carnival Report

Not be out done by the boys the NSWCCC girls team also played a very high standard of volleyball. Elisha Gallic , Kate Orme and Rachel Grundy did an excellent job as outside hitters with many unreturnable shots. Our centre blocker Amanda Gigliotti was most effective and our setter Stefanie Lalic was voted most valuable player by the opposing coaches.

Sarah Furlong did some excellent passing as our libero and Jill McGahen, Whitney Silva and Lizzie Gavaghan came off the bench to apply pressure in their roles. Well done to all team members on a fantastic day's play. A well deserved second place was achieved in this tri-series.

### All Schools Carnival Report

The students listed above played in the Firsts and Development teams for CCC at the All Schools tournament. All players met in January and trained for three days. However our preparation was interrupted by pool changes and the State U/16 tournament held just prior to the All Schools tournament. No doubt this affected our overall results. Following the loss of the nucleus of our squad last year our teams lacked the depth of previous years and were unable to match the playing strength of CIS and a very strong CHS teams.

Never the less the teams competed to the best of their abilities and the efforts of the players, coaches and managers was appreciated by all. The Development team has many promising players who are still young but representing NSW or Queensland age level teams. Following the tournament Matt Saville and Matt Deloraine were named in the NSW All Schools team. This was a fitting result for their strong play throughout the day. These players will compete at the Australian Championships in May.

## **All Schools Carnival Report**

The CCC teams this year were overpowered by stronger CIS and CHS teams. Our teams trained for three days during the January holidays. At the All Schools Tournament our Firsts team performed well but missed several chances that could have applied more pressure to our opponents.

Though we entered the tournament with high hopes it became evident we did not have the depth of talented players that the teams we opposed possessed. Despite this the teams performed admirably and displayed enough combination to suggest they will be a force in future years. Our Development team possesses many very promising players. This year we were fortunate to obtain the services of Yvette Higgins, an experienced player and coach, who will be a definite asset to CCC next year.

Three players, Nicole Saville, Alicia Brightwell and Annabelle Carter were rewarded for fine tournaments by earning selection in the NSW All Schools team. My thanks go to my fellow coach Yvette Higgins and manager Zoe Percy who provided much welcomed advice and assistance as well as giving up many hours of their time.
