

YOUR INVITATION TO CATCH ...

SEECHANGE
TWENTY TWENTY
A NEW WAVE
RENOVARÉ
[RENEW:RESTORE]

A NEW WAVE!

It's time to catch this 'New Wave' in 2020 of what God is doing in and through SeeChange Community Church.

A NEW WAVE OF PEOPLE

We see a Church family that is growing on the inside and out! Becoming bigger on the inside (discipleship) and outside (mission).

A NEW WAVE OF PRESENCE

We see a Church family that is experiencing greater levels of intimacy and power in His presence. Power to love God and to love others. Power to see God at work in our midst and marketplace through the renewal and restoration of peoples lives. (Renovaré).

Power to see miracles and mission happen in ways we are yet to see as a Church family.

A NEW WAVE OF PLACES

We see places being created for people to meet of social and spiritual impact where the Church and community gathers. 'The Meeting Place' will become a place that deliberately interfaces with our community.

A community shop, food bank, offices, cake and coffee, programs and gatherings. 'The Meeting Place' will provide a place of safety, support and security for our community. It's home for our Church and home for our community.

A NEW WAVE ON THE GO

As our Church grows, we need to use facilities on a Sunday and during the week that better serves the growing needs of our Church family. We will be open to be adaptable and agile as a Church family.

A NEW WAVE OF OPPORTUNITY

Our Sunday morning gatherings will begin to meet at Club on East in Sutherland from February 2020.

This will create a great place for Church gatherings (larger auditorium, kids and family space) but also a great place for community to develop through the use of the clubs facilities, which include: Accessible parking, catering services for Church lunches, restaurant and cafe for impromptu catch ups for the Church family and kids space.

This facility also has close access to both Sutherland Train and Bus Stations.

We are both excited for all that God has in store for His Church and we invite you to join us and catch this new wave together!

Much love,
Brook and Tammy Stewart
