## CAST

### THE MAGIC MIRROR

The storyteller who enlists Brandon and Brandon to save Fantasyland.

### BRANDON T. MANN (T = THE)

The cool hero – although sometimes he is a little too concerned with his image, rather than sticking to the task at hand.

### BRANDON L. MANN (L = little)

A smaller carbon copy of his hero. He emulates Brandon T. whenever possible, but is often more astute and effective.

### ORICA (also disguised as The Farmer's Wife and the Fruiterer)

The nasty, bad tempered old crone. She is as ugly and obnoxious as possible.

### GROOVA'

Orica's 'off sider'. He thinks of himself as the ultimate rapper, unfortunately he has trouble getting words to rhyme.

### GOLDILOX

A confident young woman. She is used to being able to use her charm to get whatever she desires.

### THE THREE BEARS

**PAPA BEAR** – Big Daddy Bear

**MAMA BEAR** – Big Mumma

**BABY BEAR** – Spoilt little bubba bear

### THE THREE LITTLE PIGS

**DARRYL** – Little Pig #1

**DARRYL** – Little Pig #2

**DARRYL** – Little Pig #3

Three upwardly mobile pigs who are into investing in solid real estate. When together, they amuse themselves with their own lame pig jokes.

### THE BIG BAD WOLF (also disguised as The Beanseller, The Auctioneer and Grandma)

A sleazy character, who cons those poor little pigs into buying 'shonky' homes, tries to trick Jack and wreaks havoc at Grandma's house.

**JACK ROBINSON**

A nice, simple young country lad.

**GIANT GEOFF**

The gentle giant who really doesn't want to cause any trouble.

**THE THREE BLIND MICE**

**TOM** – Blind Mouse #1

**DICK** – Blind Mouse #2

**HARRY** – Blind Mouse #3

Three mice for whom the world is a confusing enough place without being pursued by 'The Farmer's Wife'

**SNOW WHITE**

The quintessentially 'nice' heroine. Everyone loves Snow White!

**THE SEVEN DWARFS**

**DOC**

**SNEEZY**

**GRUMPY**

**DOPEY**

**BASHFUL**

**HAPPY**

**SLEEPY**

and

**BARRY**

All dwarfs act exactly as their names suggest.

Barry is a 'ring in'. He is actually quite tall, but lucky enough to be given a part as he is related to the Magic Mirror ...

**LITTLE RED RIDING HOOD**

The traditional Little Red, the damsel in distress.

**FANTASYLAND REMOVALISTS (2)**

An important, but non-speaking part. The removalists are responsible for moving the Magic Mirror off and on stage

## SCRIPT

### ACT ONE

Scene 1

Set: Castle interior

#### SONG 1 **DA DA DA-DA DA DUM**

Centre Stage: Magic Mirror  
All items to be collected lined up across stage front.

#1

#### Mirror:

This be the story of a Quest.  
Fantasyland will soon need saving. The nastiest of nasties, Queen Orica, is to lay a curse on all Fantasyland and its wonderful characters, a curse that will see them gone forever from the pages of books and the hearts of us all. (Not to mention putting my job on the line!)  
Young Brandon T Mann has answered the ad I placed in the local newspaper-  
Job – A QUEST!  
Description – Collect certain colors from fairytales and form a rainbow. This rainbow will create a magic crock of gold that will lift the curse and defeat Orica.  
In front of me are holograms of the 'Questian Pursuit'. The red apple, the orange juice, the yellow lemon, the green beans, the blue cheese (*Mirror grimaces at the mention of the smelly cheese*) – wooh! and the purple plum sauce.  
His reward? "Hero" status in Fantasyland – and his own line of men's fragrances – 'Brandon au Savarrrrge'.

*Enter Brandon T and Brandon I. They both walk over to the Mirror and Brandon T begins ogling at his reflection, flexing his muscles, combing his hair etc. Brandon I stands next to his hero, copying his movements.*

#2

**Brandon T:** Mirror, mirror on the wall.  
Who's the bravest, and most handsome one of all?

**Mirror:** Why, you, young Brandon, the best by far.  
You're the man! You're the star!

*Brandon T goes to give his hair one more comb, but decides he is just perfect. He exits, 'cool as you like' from the stage.*

*Brandon I now moves to stand in front of the Mirror. He tries to emulate his hero.*

**brandon I:** Mirror, mirror on the wall  
Am I brave and strong and handsome and tall?

*The Mirror has a bit of a chuckle to himself*

**Mirror:** Why, little Brandon ...  
You may not be as big and strong as Brandon T.,  
But what you lack in height,  
You make up with heart, just you wait and see.

*Little Brandon puffs out his chest and flexes his muscles, then proudly walks off stage.  
The Brandons return with a chorus full of color.*

SONG 2 ***THE COLOR SONG***

End Scene 1

**ACT ONE**

Scene 2

Set: An Enchanted Wood In Fantasyland

*All Fantasyland creatures are chatting, playing and generally going about their business. Mirror is brought in by Fantasyland Removalists and situated to one side of the stage, in 'stand by' mode. Enter Queen Orica and Groova'. All creatures huddle and cower.*

**Orica:** You miserable little people! Begone! For I, Orica,  
Queen of nastiness and the 'not very nice', will now cast a  
spell that will rid the world forever of your goody-goody agendas.

#3

*The Fantasyland creatures flee the stage. Rap-clap music starts.*

**Groova':** Hey... Yoh! Hey... Yoh!  
This little queen... nasty, and not nice;  
She's gonna' cast a spell on those three blind...  
(Struggling to make it rhyme) I knew it yesterday.... PIGS!
