Beerhäus Kotara is back in business with a calendar of weekly deals

Monday, 7 June 2021: Beerhäus is bringing its 40-tap lineup and a calendar of value-packed deals, big games and live sports viewing back to Kotara when it reopens its doors on Wednesday, 9 June at 12pm.

Reopening just in time for the first State of Origin game, the super-charged taproom and social emporium located on the rooftop of Westfield Kotara will celebrate its long-awaited reopening with \$12 plate-sized schnitzels all day, and every Wednesday thereafter (Available with the purchase of a full-priced drink). Outside of Schnitzel Wednesdays these golden-crumbed goodies are \$22-\$24.

Explore the Classic, featuring crumbed chicken breast, cabbage slaw, and mushroom sauce or gravy; the Parmi topped with double-smoked ham, mozzarella, napolitana sauce and fries; the Southern, showcasing a southern fried chicken breast with cabbage slaw, Frank's hot sauce, Texas BBQ sauce and fries; and the Mushroom Parmi, which features crumbed confit mushroom, mozzarella, napolitana sauce, cabbage slaw and fries.

Guests can return on Thursday, 10 June, and every Thursday thereafter, for 1-cent wings until 7pm. (Available with a full priced drink, maximum 10 wings per drink).

Fridays are for footy fans with games screened live across 20 large-screen TVs and \$1 wings on offer from 6pm (Available with a full priced drink, maximum 10 wings per drink).

On Sunday, 13 June, and every subsequent day of rest, a spectacular roast is available for \$20 per person. Slow-roast pork belly, thick with golden crackling and served with glazed Dutch carrots, creamy mash, red cabbage, Yorkshire pudding, apple compote and onion gravy is available from 12pm until sold out.

The Beerhäus menu pairs perfectly with one of 40 freshly tapped drinks, including German beers by Löwenbräu, Franziskaner, Hofbräu, Spaten and Paulaner. The German line-up is bolstered by a range of Australian craft beers, including those by Green Beacon, Brookvale Union, Balter Brewing Company, Great Northern Brewing Company, Pirate Life and 4 Pines. British legend Bulmer's, international standouts Peroni and Asahi, and Aussie icon VB join the taproom party, which showcases an eclectic line-up of beers, cider, sours, ginger beer, and house-made cocktails.

Explore Beerhäus' \$10 cocktails on tap every Saturday, including Strawberry Margarita, Lychee Paradise, Appletini and Elderflower Garden, and indulge in friendly competition over games of table tennis, pinball and giant Jenga.

Food & Beverage Director John Sullivan said: "We are thrilled to finally be reopening Beerhäus Kotara following the Covid-19 lockdown."

"We've decided to ramp up the fun and offer even greater affordability at Beerhäus Kotara, which has always had a loyal following of beer fans and customers who are increasingly looking to blend a meal with an entertainment experience."

"With a dining special or entertainment experience now available every day that Beerhäus is open, there is something for everyone at our much-loved taproom on this vibrant rooftop."

Beerhäus is open for business Wednesday to Sunday, 12pm-9pm (10pm on Saturday and Sunday).
