The RSL Virtual War Memorial is the only memorial of its kind nationally and internationally. It is unparalleled in its ability to capture the stories of every Australian who has served our nation in times of conflict. Hear from our guest presenters about how the individual experience of war has shaped our nation, its values and the ANZAC spirit.

Join us as we continue to build this important new memorial – one story at a time. Your support will ensure all who have served are honoured and remembered!
