

Making A Dedication

STEP ONE:

When you submit an update to a profile, you will be presented with the option to make a dedication. You can also make a dedication without editing a profile by clicking the blue 'Make a Dedication' button on any soldiers' profile.

Dedication

Honour a person by making a dedication. Dedications are always kept so you, your family and friends, will always be able to see who has honoured them.

Choose the Wattle for a quick dedication from a drop down list, or Violet if you want to leave a custom message. You can leave a dedication each year on their birthday, ANZAC, or remembrance day.

All proceeds from dedications go to supporting Virtual War Memorial Australia.

STEP TWO:

There are two types of dedications available, the 'Wattle' and the 'Violet'. When selecting wattle, you will need to select a message from the dropbox labelled 'Select a message from list...'. The preview below will change depending on the message you choose. When selecting violet, you may enter a dedication of up to 300 characters in the text box provided. Again, the preview below will change depending on what is typed in the text box. Once you are satisfied with your choice of message, fill out your credit card details in the 'Payment' section located on the bottom third of the dedication pop-up. Once this is complete, click the red button labelled 'Submit'.
