Lake Kununurra

Discovery Holiday Parks – Lake Kununurra in Western Australia's East Kimberley Region is located 4 hours from Halls Creek, almost halfway between Darwin and Broome. Lake Kununurra is the ideal base to explore this rich region and offers a wide range of attractions. With over 21 species of fish, including large barramundi, to be found in its surrounding waters, Lake Kununurra is a favoured base amongst recreational anglers and is also a Mecca for bird watchers.
