

Port Smith Lagoon

Caravan Park

Lazy 90 Minutes South Of Broome

One of the Kimberley's
finest fishing spots

Take a dip in the Lagoon

PORT SMITH LAGOON

About 140 km south of Broome on the Great Northern Highway, a well signposted turn-off takes you down 23 km of well maintained, all weather dirt road to one of the Kimberley region's best kept secrets, Port Smith Lagoon and caravan park.

The lagoon boasts some of the best fishing in the area and is easily accessible all year. Shore fishers can catch mangrove jack, emperor, barramundi, mackerel, whiting, bream and the magnificent mud crab. Offshore fishing grounds boast red emperor, coral trout, blue bone groper and the elusive fighting sailfish.

Port Smith Caravan Park

Boasting 100 large powered sites under hundreds of shady trees this is far from an average remote caravan park. Well-behaved dogs on leads are welcome on van sites, a small bond applies and guests are requested to clean up after their pets.

Facilities include: spotless ablution blocks, coin operated laundry, underground 24-hour power and convenient fish cleaning area. The park store stocks most essential foodstuffs plus diesel and unleaded fuel, gas bottle refill service, bait, ice and fishing tackle. You can hire 2 person kayaks for fishing or exploring the lagoon.

Non-Caravanners

For those travelling light, the park has powered and un-powered tent sites. Or you can relax in air-conditioned comfort in bunkhouse style rooms - single, double or Four-bed family rooms with fridge, dining facility and outdoor setting with shared camp kitchen style food preparation area. Self-contained, four-bed, air-conditioned cottage style units are available with en suite facilities, basic kitchens, personal barbecues and an outdoor setting. These units have a double bed and two singles, perfect for families or fishing parties.

Health regulations do not permit animals in the rooms or units.

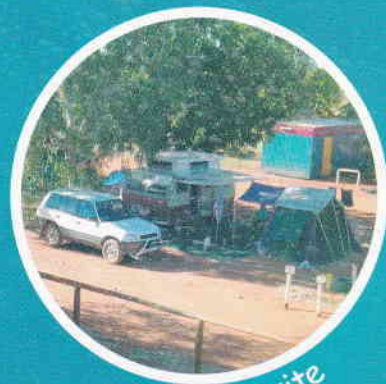

Nine-hole bush golf course.

Just for fun the park has a nine-hole bush style golf course that is a challenge you should not miss with friendly competition most days of the main tourist season. There are very few courses in Australia where you can enjoy a friendly game of golf including club hire for only two dollars.
