APPLYING FOR A VISITOR VISA ONLINE

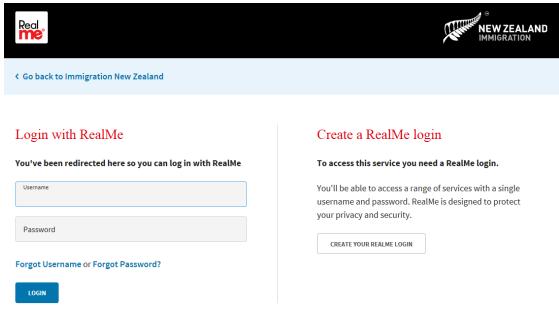

1. On the INZ website, select *Login* at the top right-hand corner and then select *Visitor visa* from the drop down list

Select LOGIN or CREATE ACCOUNT

3. You will be asked to enter your RealMe login details. If you don't have one yet, just select the Create your RealMe login now option and follow the step by step instructions.

4. After you have entered your RealMe login details, you will be brought back to Immigration ONLINE and you will be asked to secure your account.

Account security disclaimer

You are about to create an Immigration ONLINE account using a username and password.

You will be required to enter personal information. Keep your logon details secure. Alternatively, you may submit a paper-based application.

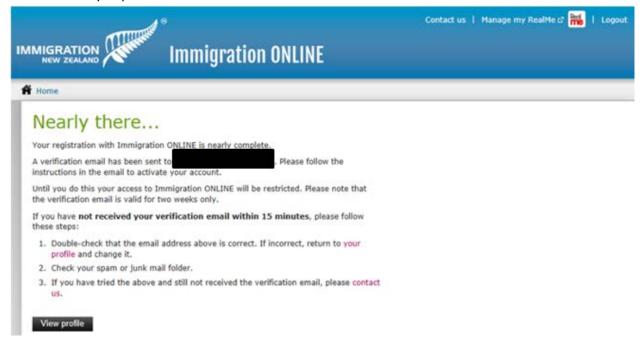

You can find information on staying safe online at NetSafe.

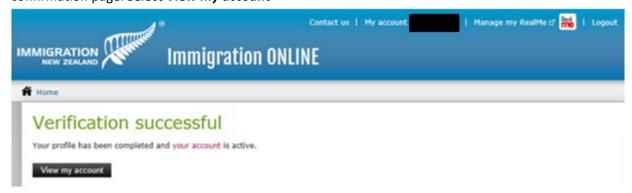

5. If you chose Accept, you will then be asked to create your Immigration ONLINE profile. Your profile will be the name that appears on your account. You can edit this anytime in the future.

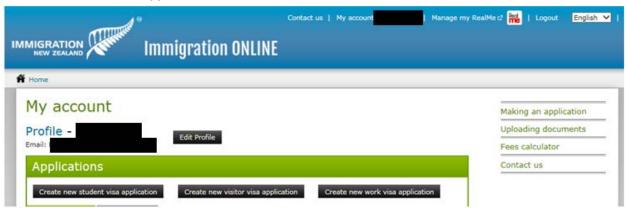

6. You're almost there. A summary page will appear to let you know that a verification email has been sent to the email address you provided.

7. Check your email and follow the instructions to activate your account. Once activates, you will get this confirmation page. *Select View my account*

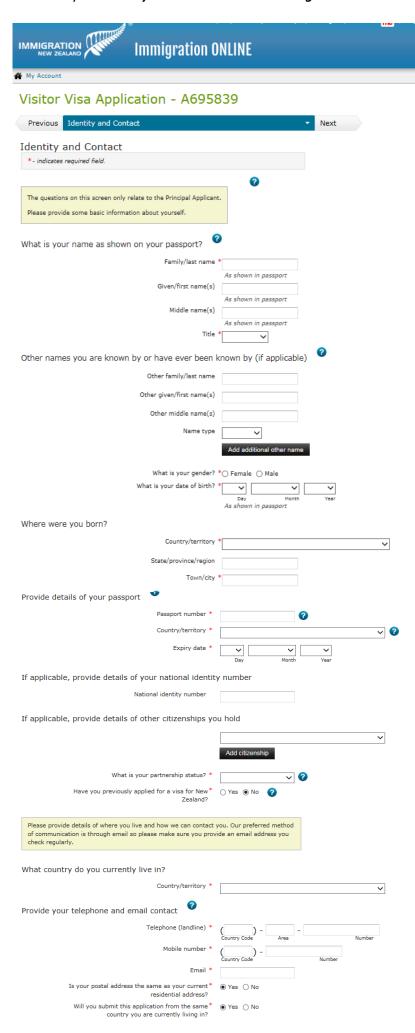

8. You are now on your account homepage. From here you can see the different types of visa applications. Select *Create new visitor visa application*

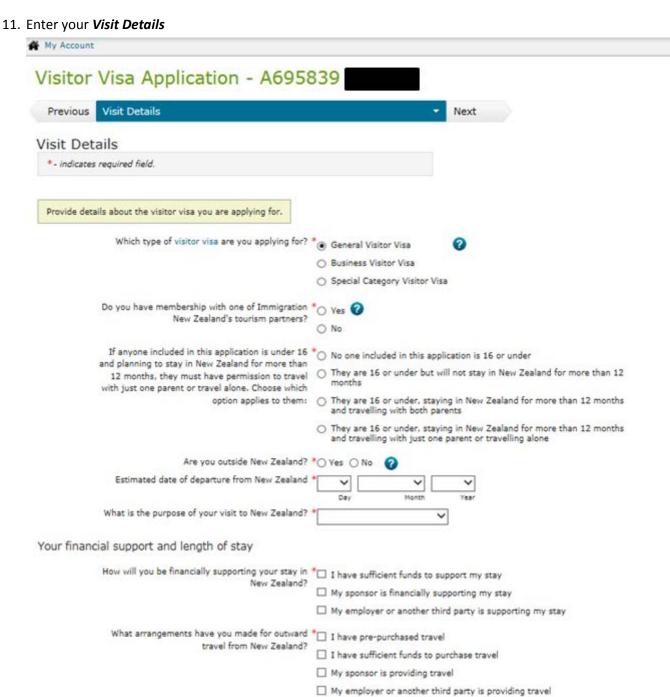

9. You will be asked some questions to ensure that this is the correct application for you. (Note: Your answers might vary from the answers on the screenshot below)

10. Enter your *identity and contact details* and *agree to the declaration* at the end of the section.
