## C-CAR PROGRAMME CHANGES

The National Executive has recently reviewed the C-CAR programme and the way points are allocated. As a way of recognising the value of the apprentice scheme and members' feedback, it has been decided to remove the exclusion of apprentices with less than 125 credits.

This now means that ANY STAFF MEMBER can attend the nominated courses and gain the relevant points.

*For members unfamiliar with C-CAR (Continuing Compulsory Annual Retraining) points, if your CRA membership category is a 'Structural Repair Centre' you are required to currently attain 10 points every calendar year and for those that are 'Panelbeating/Spraypainting' category for the Hyundai Recommended Repairer Network for Minor Repairs you are required to attain 5 points every calendar year.*
