Courtesy Car Agreements

The following are some ideas to use in conjunction with a Courtesy Car Agreement:

- Ensure that the date of birth of the driver and licence number is noted on this Agreement. A quick option is to either photocopy or take a digital image of the drivers licence and attach to this Agreement.
- Ensure that the date and time is noted on the Agreement when the vehicle leaves your premises.

In regards to speeding tickets, there are details on the reverse of the ticket which outlines the procedure in order to obtain the documentation to prove who the driver of the vehicle is.

We have Courtesy Car Use Agreements available free of charge through the National Office.

Further information on Courtesy / Replacement Vehicles is on CRA Bulletin Issue 21 – 26 July 2005.
